

Middlebury Schools Abroad Evaluation: 2007-2008

Evaluating your period of study abroad is one of the most valuable services you can render Middlebury College and future students planning to study abroad, and it is one of the most important ways you can help us maintain the highest possible standards. For this reason, until this form is submitted to International Programs and Off Campus Study a hold will be placed on official Middlebury transcript requests for Middlebury College students who studied at Middlebury Schools Abroad. Please note: If you studied abroad for two semesters on two different programs, you must submit two separate evaluations.

The staff of International Programs and Off Campus Study welcomes the opportunity to hear about your experiences abroad; please feel free to stop by or call and talk with us!
