

## C.V. STARR-MIDDLEBURY SCHOOLS ABROAD INTERNSHIP APPLICATION

This application is for students who wish to pursue internships while studying abroad. Please note that single semester internships are only for highly motivated students who complete the requisite forms and follow up work with the internship coordinator at your School Abroad in a timely manner.

**ALL APPLICANTS MUST SUBMIT A RESUME AND COVER LETTER IN YOUR TARGET LANGUAGE WITH THIS FORM (exception: applicants in Russia and Spain should write in English).** The cover letter should be addressed "To whom it may concern" and should explain the fields you would be interested in pursuing\*, your goals in pursuing an internship, and how your past work experience and/or academic background would be applicable in your desired internship field. Internship placements vary depending on the availability in your host country.

\* Examples of fields include but are not limited to business, US government/diplomatic, non-profit/non-governmental, politics/economics research, education, environmental, journalism, and women's studies. Please review the internship section of our web site for more information { [HYPERLINK "http://www.middlebury.edu/academics/sa/internships/"](http://www.middlebury.edu/academics/sa/internships/) }
