Off-campus housing:

Most people stay on campus during the Conference, and this is the best way to get the most out of your time on the mountain; however, some do choose to find their own housing nearby. In this case, you would not pay the \$848 room and board fee to the College. A list of off-campus housing is available through the Bread Loaf office, and we would be glad to send it to you. When staying off campus, it is up to the applicant to make his/her own housing arrangements.
