

American Foundation *for* Suicide Prevention

Addison County, Vermont Chapter Survivors of Suicide Support Group (SOS)

Have you experienced the impact of a loved one's suicide?

Please consider joining us.

Our meetings provide a time to help one another grieve.

All are welcome.

This is not a therapy group. It is a free support group.

We honor confidentiality and the uniqueness of each person's grief. We share what can be helpful in this process. We share resource materials, stories or just listen-- whether you lost a friend, spouse, parent, child, co-worker, sibling or anyone you care about.
