Information for Overnight Visitors to Middlebury College

Welcome to Middlebury! Campus visits are a great opportunity for you to learn more about the College, so we hope you will use your time on campus to explore the academic, social, and residential life at Middlebury.

Please attend the host matching event at 4:45 PM on the day you will be arriving to campus. Women will be paired in Axinn lobby, and men will be paired in the Crossroads Café (located in McCullough Student Center.)

If you will be delayed in arriving, please notify the Admissions Office at (802) 443-3000 by 4:30 PM. We will do our best to accommodate late arrivals.

As a guest of the College, you are required to abide by the same rules and regulations that govern the conduct of current Middlebury students. Please read the following and sign your name to indicate you have read and understand the statements below.

- I am aware that although Middlebury College has agreed to host me overnight, neither the Admissions Office staff nor any other personnel of Middlebury will be supervising me at all times during my stay on campus. Visiting students, like enrolled students, are responsible for their behavior within the expectations outlined below.

- I am aware that participants in on-campus visitation programs are required to abide by Vermont state law and the Middlebury Community Standards outlined in the College Handbook, which govern the conduct of students enrolled at Middlebury College. I acknowledge that Vermont law prohibits the use of illegal drugs and prohibits the use of alcohol by persons under the age of 21.

- Further, I understand that any negative or illegal behavior on my part during my campus visit will be considered by the Admissions Office in any evaluation of my application for admission to the College. I also understand that Middlebury will report any such behavior, including any violation of Vermont law or the Community Standards, to my secondary school.
