50% of Proceeds will benefit the Chaplain's Fund\*

\* The Chaplain's Fund provides monetary support in the form of either a one-time grant or a one-time loan to employees facing an unforeseen financial emergency or crisis. The Chaplain's Fund committee reviews confidential applications from employees. If approved, funding is provided directly to the employee's creditors or vendors. Ongoing contributions for this fund are also provided by year-end unused allocations from college employees' flexible spending accounts. The Chaplain's Fund has been in existence since 1992 and is just one example of the variety of resources and programs in place to support employees.
