MAIPS DEGREE MAP
MIDDLEBURY/MONTEREY INTEGRATED DEGREES

MAIPS-Trade, Investment and Development (TID)
Courses to be taken at Middlebury College
Courses required for a major in International Politics and Economics, or International Studies with a disciplinary specialization in Economics or Political Science. Students with majors in other fields may apply to this integrated degree program with permission of the IPS program chair, provided they have met other requirements and have taken the appropriate set of courses.
ECON 0150 Introduction to Macroeconomics
ECON 0155 Introduction to Microeconomics
ECON 0340 International Economy: A Policy Approach (for trade focus)
OR
ECON 0425 Seminar in Economic Development (for development focus)
PSCI 0109 International Politics
PSCI 0304 International Political Economy (combined with PSCI 0109 will waive IPOL 8505 Global Politics at MIIS)
MATH 0116, MATH 0311, or both ECON 0210 and ECON 0211 (will waive IPOL 8504 Data Analysis at MIIS)
Relevant Senior Seminar (will minimize number of research seminars needed at MIIS)

Courses to be taken at Monterey Institute
IPOL 8501 Policy Analysis 4
IPOL 8515 Introduction to Trade (for trade focus)
OR
IPOL 8529 Development Theory and Practice (for development focus) 4
*Three track-relevant research seminars from approved list 12
*Relevant electives 4
Trade, Investment and Development track subtotal 24

**Advanced language course subtotal 8-12
Total TID degree requirements 32-36

MAIPS-Human Security and Development (HSD)
Courses to be taken at Middlebury College
Courses required for a major in International Politics and Economics, or International Studies with a disciplinary specialization in Economics or Political Science. Students with majors in other fields may apply to this integrated degree program with permission of the IPS program chair, provided they have met other requirements and have taken the appropriate set of courses.
ECON 0150 Introduction to Macroeconomics
ECON 0155 Introduction to Microeconomics
ECON 0340 International Economy: A Policy Approach
OR
ECON 0425 Seminar on Economic Development
PSCI 0109 International Politics
PSCI 0304 International Political Economy (combined with PSCI 0109 will waive IPOL 8505 Global Politics at MIIS)

At least two of the following:
ECON/PSCI 0336 Political Economy of Development (will waive IPOL 8529 Development Theory and Practice at MIIS)
PSCI 0378 Civil Conflict in Africa and the Middle East
PSCI/SOAN 0309 Risk and Late Modernity: Politics, Culture and Danger
PSCI 0251 Identity and Conflict in South Asia
PSCI 0322 War and Peace
PSCI 0258 The Politics of International Humanitarian Action
PSCI 0450 Ethnic Conflict
Additional relevant Senior Seminar (if ECON 0425 was taken)

Courses to be taken at Monterey Institute

**Advanced language course subtotal**

**Total HSD degree requirements**

8-12

32-36

*Students must also complete a culminating experience in which they relate field experience from an internship, job, or volunteer experience to the subject matter of required courses totaling 6 credits, including at least one seminar. This requirement does NOT represent additional credit, but is an added dimension integrated into the work that would otherwise be required for the courses in which the student chooses to complete this requirement.

Students are encouraged to work with faculty and EIA at Middlebury to identify relevant internship opportunities during their junior or senior year, or in the summer between Middlebury and MIIS programs. Completing a relevant internship prior to entry at MIIS will assist with completion of the culminating experience requirement in a timely fashion.

**Language courses (for both TID and HSD tracks)**

Students normally take 8 language credits at the 400-level or higher (300-level or higher for Spanish or Arabic), and must complete 12 credits in their official language if they enter the program satisfying the Institute’s minimal requirements. Please review Monterey’s language proficiency requirement – [http://www.miis.edu/admissions/requirements/policy](http://www.miis.edu/admissions/requirements/policy) - for more details about this component of your degree. Students can improve language skills over the summer by attending Monterey’s Summer Intensive Language Program (SLIP) – [http://www.miis.edu/academics/language/summer](http://www.miis.edu/academics/language/summer). If, because of their language level, students have all or part of their 400-level language requirement waived, they can take additional electives.

Students always must complete at least 32 credits at the Monterey Institute. If students do not complete the suggested courses at MIDD, they may still apply to programs at MIIS, but would likely need to do a program consisting of 48 credits or more. This would require additional time and tuition.
