Sign In to the Course
You will need to sign in each time you want to access the course.

1. Click here to sign in.
2. Enter your Username or Email, enter your Password, and click the LOGIN button.
   • If you set up a guest account, use the Email and Password you used to create your account.
   • If you are using your Middlebury email, enter your Username and Password.
   • If you have forgotten your password, see the Reset Your Password section below.

It may be helpful to bookmark the course page in your browser. The web address for the course is:
http://moodle.middlebury.edu/course/view.php?id=1585

Reset Your Password
1. Click here to begin.
2. In the Email address (required) field, enter the email address you provided when you setup your account.
3. Click the Submit button.
4. Once you receive a confirmation email, click the link inside the email. This will take you to a web page.
   • Please note the confirmation email may take up to 24 hours to receive, and it may end up in your email spam or junk folder.
5. Enter a new password in the Password (required) field.
6. Retype the new password in the Confirm password (required) field.
7. Click the Submit button.
8. Return to the Sign In to the Course section above. Sign in with your new password.
