Introduction

The Middlebury College Student Health Insurance Plan has been developed especially for Middlebury College students. The Plan provides coverage for Sicknesses and Accidents that occur on and off campus and includes special cost saving features to keep the coverage as affordable as possible. Middlebury College is pleased to offer the Plan as described in this brochure. Recognizing that health coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage in order to waive the Student Health Insurance Plan.

Waiver Process

To enroll or document proof of comparable coverage an Online Decision Form must be completed and submitted by the deadline.

1. Go to www.gallagherstudent.com/Middlebury.
2. On the left toolbar, click on ‘Student Waive/Enroll’.
3. Log in (if you haven’t already).
4. Click the ‘I want to Waive/Enroll’ button.

Immediately upon submitting the Middlebury College Decision Form, you will receive a reference number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online method is the only accepted process for waiving coverage.

Middlebury College reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

In the event a student waives the Student Health Insurance Plan and then loses current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), the student has the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Waiver Deadline

The deadline for students to complete the Online Decision Form for annual coverage is September 18, 2015. Students who waive the Student Health Insurance Plan in the Fall waive coverage for the entire policy year. The Online Decision Form process is the only accepted process for making your insurance selection. Students who do not submit the Online Decision Form by the deadline will be enrolled in and billed for the Student Health Insurance Plan.

Policy Term

The policy for the current year becomes effective 08/15/2015 at 12:01 AM and expires on 08/14/2016 at 11:59 PM. Coverage remains in effect during holiday and vacation periods. Should an Insured person graduate or withdraw from the institution, the insurance shall remain in effect until the end of the period for which premium has been paid.

Refund of Premium

Except for medical withdrawal due to a covered Injury or Sickness, in the event the insured student withdraws from school within the
must pay before benefits are payable under the Policy.

1. The covered Person enters full-time active duty in any Armed Forces; and
2. We receive proof of such active duty service.

Those Insured Students withdrawing from school to enter military service will be entitled to a pro-rata refund of premium upon written request of the withdrawal from school, and coverage will end as of the date of such entry.

Network Providers

The Middlebury College Student Health Insurance Plan provides access to hospitals and health care providers throughout the country through the First Health Provider Network.

Network Providers are the Doctors, Hospitals, and other health care providers who are contracted to provide medical care at a negotiated fee, or Preferred Allowance. It is to the advantage of Insured Students to use Network Providers to help reduce out-of-pocket expenses, as any applicable coinsurance is based on the negotiated Preferred Allowance. Non-Network Providers have not agreed to a Preferred Allowance and consequently your out-of-pocket costs may be greater. Students should be aware that Network Hospitals may be staffed with Non-Network Providers. Receiving services or care from a Non-Network Provider at a Network Hospital does not guarantee that all charges will be paid at the Network Provider level of benefits. It is important that the Insured Person verify that his or her Doctors are Network Providers when calling for an appointment or at the time of service. The most efficient way to identify Network Providers in the First Health Network is to call First Health toll free at 1-800-226-5116 or visit their website at www.firsthealth.com. Multiplan is considered to be a Network Provider under this plan.

Basix Dental Savings

Maintaining good health extends to taking care of your teeth, gums and mouth. The Basix Dental Savings Program provides a wide range of dental services. It is important to understand the Dental Savings Program is not dental insurance. Basix contracts with dentists that agree to charge a negotiated fee to students covered under your Gallagher Student Health plan. You must pay for the services received at the time of service to receive the negotiated rate.

Savings vary but can be as high as 50% depending upon the type of service received and the contracted dentist providing the service. To use the program, simply:

- Make an appointment with a contracted dentist. Contracted dentists and their fee schedules are listed on our website, www.basixstudent.com.
- Tell the dental office that you are an insured student and have the Basix program. Each dentist has an administrative person to assist you with any questions. You do not need a separate identification card for the Basix program, but you will need to show your student health insurance ID card to confirm your eligibility. If the office needs to check eligibility, call Gallagher Student Health & Special Risk at 1-800-430-0697.
- Remember, you must pay for the services you receive at the time of service, so make sure you understand what forms of payment (check, credit card, etc.) the dentist accepts.

Full details of the program can be viewed at the website: www.basixstudent.com. Once at the home page, select the link for your school. You may also contact us via email from our website, or by telephone at 888-274-9961.
