Introduction

The Middlebury College Student Health Insurance Plan has been developed especially for Middlebury College students. The Plan provides coverage for Sicknesses and Accidents that occur on and off campus and includes special cost saving features to keep the coverage as affordable as possible. Middlebury College is pleased to offer the Plan as described in this brochure.

This brochure is a brief description of the insurance coverage under the Middlebury College Student Health Insurance Plan. This plan is underwritten by National Guardian Life Insurance Company, serviced by Gallagher Student Health & Special Risk and claims are administered by Commercial Travelers. The exact provisions governing this Student Health Insurance Plan are contained in the Master Policy which will be issued to the College.

Student Eligibility and Enrollment

Enrollment in a health insurance plan is required for all full-time undergraduate students at Middlebury College. Only students that actively enroll in the plan will be enrolled and have their student account billed. Dependents are not eligible for coverage under this plan.

Online Waiver Process

Students who are currently enrolled in a Health Insurance Plan of comparable coverage that will be in effect until August 14, 2019 can elect to waive the Middlebury College Student Health Insurance Plan. Each academic year students will be asked to provide proof of comparable coverage in order to waive the Student Health Insurance Plan.

Waiver Process

To enroll or document proof of comparable coverage an Online Decision Form must be completed and submitted by the deadline.

1. Go to www.gallagherstudent.com/Middlebury.
2. On the left toolbar, click on 'Student Waive/Enroll'.
3. Log in (if you haven't already).
4. Click the 'I want to Waive/Enroll' button.

Immediately upon submitting the Middlebury College Decision Form, you will receive a reference number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online method is the only accepted process for waiving coverage.

Middlebury College reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

In the event a student waives the Student Health Insurance Plan and then loses current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), the student has the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Waiver Deadline

The deadline for students to complete the Online Decision Form for annual coverage is September 28, 2018. Students who waive the Student Health Insurance Plan in the Fall waive coverage for the entire policy year. The Online Decision Form process is the only accepted process for making your insurance selection.

Policy Term

The policy for the current year becomes effective 08/15/2018 at 12:01 AM and expires on 08/15/2019 at 12:01 AM. Coverage remains in effect during holiday and vacation periods. Should an Insured person graduate or withdraw from the institution, the insurance shall remain in effect until the end of the period for which premium has been paid.

Refund of Premium

Premiums received by Us are fully earned upon receipt. Refund of premium will be considered only:

1. For any student who does not attend school during the first thirty-one (31) days of the period for which coverage is purchased. Such a student will not be covered under the Policy and a full refund of the premium will be made.
2. For Insured Persons entering the Armed Forces of any country. Such persons will not be covered under the Policy as of the date of his/her entry into the service. A pro rata refund of premium will be made for such person upon written request received by Us within ninety (90) days of withdrawal from school.

No other refunds will be allowed.

Network Providers

The Middlebury College Student Health Insurance Plan provides access to hospitals and health care providers throughout the country through the First Health Provider Network.

Network Providers are the Doctors, Hospitals, and other health care providers who are contracted to provide medical care at a negotiated fee, or Preferred Allowance. It is to the advantage of Insured Students to use Network Providers to help reduce out-of-pocket expenses, as any applicable coinsurance is based on the negotiated Preferred Allowance. Non-Network Providers have not agreed to a Preferred Allowance and consequently your out-of-pocket costs may be greater. Students should be aware that Network Hospitals may be staffed with Non-Network Providers. Receiving services or care from a Non-Network Provider at a Network Hospital does not guarantee that all charges will be paid at the Network Provider level of benefits. It is important that the Insured Person verify that his or her Doctors are Network Providers when calling for an appointment or at the time of service. The most efficient way to identify Network Providers in the First Health Network is to call First Health toll free at 1-800-226-5116 or visit their website at www.myfirsthealth.com.

1. an Insured Person is injured through the negligent act or omission of another person (the "third party"); and
2. benefits are paid under the Policy as a result of that Injury, We are entitled to a refund by the Insured Person of all Policy benefits paid as a result of the Injury.

The refund must be made to the extent that the Insured Person receives payment for the Injury from the third party or that third party's insurance carrier. We may file a lien against that third-party payment. Reasonable pro rata charges, such as legal fees and court costs, may be deducted from the refund made to Us. The Insured Person must complete and return the required forms to Us upon request.

Coordination of Benefits

If an insured person is covered by more than one health care plan, he or she may not be able to collect benefits from both plans. An insured should read all the rules very carefully, including the coordination of benefits section and compare them with the rules of any other plan that covers an insured or his/her family.

Claim Procedures

In the event of an Injury or Sickness the Insured Person should:

1. A claim form is not required to submit a claim. However, an itemized bill, HCFA 1500, or UB92 form should be used to submit expenses. If a referral was required, this form should accompany this submission. The Insured Student/Person's name and identification number need to be included.
2. Providers should submit claims within 30 days from the date of Injury or from the date of the first medical treatment for a Sickness, or as soon as reasonably possible. If a student is submitting the claim, a copy should be retained and claims should be mailed to the Claims Administrator, Commercial Travelers Life Insurance Company, at the address on the back cover.
3. Direct all questions regarding claim procedures, status of a submitted claim or payment of a claim, or benefit availability to the Claims Administrator Commercial Travelers Life Insurance Company.
4. If you disagree with a claim payment decision, an Insured Person has the right to file an appeal. The process for filing an appeal can be found in the Appeals Procedure section of this brochure.

Any provisions of the Policy, which on its effective date, is in conflict with the statutes of the state in which the Policy is issued will be administered to conform with the requirements of the state statutes.

Basix Dental Savings

Maintaining good health extends to taking care of your teeth, gums and mouth. The Basix Dental Savings Program provides a wide range of dental services. It is important to understand the *Dental Savings Program is not dental insurance*. Basix contracts with dentists that agree to charge a negotiated fee to students covered under your Gallagher Student Health plan. You must pay for the services received at the time of service to receive the negotiated rate. Savings vary but can be as high as 50% depending upon the type of service received and the contracted dentist providing the service. To use the program, simply:

- Make an appointment with a contracted dentist. Contracted dentists and their fee schedules are listed on our website,

www.basixstudent.com.

- Tell the dental office that you are an insured student and have the Basix program. Each dentist has an administrative person to assist you with any questions. You do not need a separate identification card for the Basix program, but you will need to show your student health insurance ID card to confirm your eligibility. If the office needs to check eligibility, call Gallagher Student Health & Special Risk at 1-800-430-0697.
- Remember, you must pay for the services you receive at the time of service, so make sure you understand what forms of payment (check, credit card, etc.) the dentist accepts.
- Full details of the program can be viewed at the website: www.basixstudent.com. Once at the home page, select the link for your school. You may also contact us via email from our website, or by telephone at 888-274-9961.
