THOMAS R. PICKERING FOREIGN AFFAIRS FELLOWSHIP
The Pickering Fellowship provides graduate students with financial support, mentoring and professional development to prepare them academically and professionally for a career with the U.S. Department of State. Women, members of minority groups historically underrepresented in the Foreign Service, and students with financial need are encouraged to apply.

Jaewon Oh ’14 (International and Global Studies)

CHARLES B. RANGEL GRADUATE FELLOWSHIP
The Rangel Graduate Fellowship prepares outstanding young people for careers in the Foreign Service of the U.S. Department of State. Rangel Fellows receive two years of graduate study support, internships, mentoring, and professional development. This program encourages the application of members of minority groups historically underrepresented in the Foreign Service, women, and those with financial need. Fellows who successfully complete the program and Foreign Service entry requirements will receive appointments as Foreign Service Officers.

Toni Cross ’18 (International and Global Studies, Russian and Eastern European Studies)

SCHWARZMAN SCHOLARSHIP
Designed to prepare the next generation of global leaders, the Schwarzman Scholars program prepares students to understand China’s role in global trends. Up to two hundred scholars annually are selected to develop their leadership skills and professional networks through a one-year master’s degree at Tsinghua University in Beijing.

Juan Sebastián Muñoz Rivera ’13 (Philosophy)
Fangdi Pan (Non-Proliferation and Terrorism Studies, Middlebury Institute of International Studies)

THOMAS J. WATSON FELLOWSHIP
Watson Fellowships enable seniors of unusual promise to engage in focused independent study and travel abroad after graduation. The award is $30,000. Up to 50 Fellows are selected from the 40 participating colleges.

Tina Chen ’18 (Computer Science)
Leo McElroy ’18 (Physics)
