May, 2017

Dear Colleague,

I am writing to you with information about the upcoming session.

(1) **Pre-arrival web site.** Please refer to our pre-arrival web site, with the list of tasks to be completed before you come to the program. The Middlebury Handbook should answer many of your questions about the session at Mills.

(3) **Information for the website.** You may send a photo of yourself and a brief “bio” for our website. Please send these to me at arabischool@middlebury.edu.

(4) **Arrival on campus.** If you have not yet made travel plans, Oakland International Airport is closest to campus: you may take a cab or shuttle service from there. Shuttle service from SuperShuttle or Bayporter Express will cost slightly less than a cab, with savings if you are traveling with others. With these, you may reserve and pay for your ride in advance – use ZIP code 94613 when reserving.

San Francisco International Airport is somewhat farther away: from there, we recommend taking a shuttle service, since the ride can take an hour or more in traffic and taxi fare from San Francisco Airport is expensive. SuperShuttle and Bayporter Express offer service at similar rates.

Please give your taxi or shuttle driver the full address:

Mills College  
5000 MacArthur Boulevard  
Oakland, California 94613

Please note that the Arabic School is not able to provide transportation for faculty or staff. The shuttle services mentioned above are only suggestions; please feel free to make your own arrangements.

When you arrive at Mills campus, your taxi or shuttle will enter the main gate and stop at the guard kiosk, where you will check in with the Public Safety officer on duty. The officer will arrange for someone to meet you at Sage Hall, where you will pick up your room key and ID card. From there, you may go to your room and settle in.
IMPORTANT: We understand that travel plans may change. **If you or your family members must change your dates of arrival or departure from Mills campus, please notify me by email as soon as possible.** We must inform Mills College of all arrivals and departures on a daily basis, so that rooms can be prepared, Public Safety can be notified, and so on.

(5) **Weather and climate.** In the Bay Area, the weather usually warms up toward the middle of the day, but the summer mornings, evenings, and nights can be quite cold. You should not need a heavy coat, but light layers are a good idea: jackets, sweaters (pullovers), etc. The summer is the dry season, and there is typically little rain.

(6) **Mailing address.** Your mailing address at Mills campus will be as follows:

```plaintext
[Your Name]  
Middlebury at Mills  
Arabic School  
5000 MacArthur Blvd.  
Oakland, CA 94613
```

(7) **Tax and payroll forms.** On Thursday afternoon (1-4pm), all 8-week faculty and staff members will visit the Middlebury at Mills administrative office to fill out tax forms (graduate faculty will do this after they arrive). **All faculty and staff, including US citizens, should bring their passports,** and international faculty will need to present their visa documents. In order to receive paychecks from Middlebury, the tax forms must be filled out at the beginning of the session. If you have a US Social Security Number, be sure to bring this number with you, so you can write it on your tax forms. (If you do not have a US Social Security Number, we will help you apply for one later in the session).

(8) **Medical care.** For medical emergencies, call 911. Afterwards, please call Mills College Public Safety at 510.430.5555 or x5555 so that they can direct medical personnel where to go on campus when they arrive.

For all other health care, Middlebury at Mills uses Golden Gate Urgent Care, a comprehensive facility nearby in Oakland. More information is available at [www.goldengateurgentcare.com](http://www.goldengateurgentcare.com). An appointment is not necessary for urgent care.

You can be transported to Golden Gate Urgent Care free of charge by contacting your School’s Bilingual Assistant. They have pre-filled taxi vouchers for your use.

If you are currently covered by health insurance, please bring your insurance card(s) with you, even if you do not believe that your plan provides coverage at Mills. Present your insurance cards when visiting a clinic or hospital. If you have overseas coverage, we suggest that you keep all medical bills from the US, and see if you can receive reimbursement when you return home.

If you are regularly taking any medications, please bring an adequate supply with you (if possible, enough for the entire summer). In the US, you must have a prescription from a doctor
in order to purchase many medications. To get a prescription, one must usually pay for an office visit with the doctor.

If you are traveling from overseas and will be covered by the emergency insurance plan offered through Middlebury, please understand this is accident and emergency insurance only. It is designed to reduce high medical bills due to an unexpected accident or emergency; it does not provide comprehensive medical coverage. For example, it does not cover treatment for existing or chronic conditions, nor does it help cover the cost of medications. Still, be sure to present all insurance cards at the clinic. If they can bill the emergency plan for part of your medical costs, they will do so. If family members will be traveling from overseas to join you at Mills, they will generally need emergency insurance coverage from Middlebury in order to obtain a visa. For more information, please contact our office of International Student and Scholar Services.

(9) Travel within the Bay Area. We do not recommend that you walk or jog in the neighborhood surrounding Mills College. To get to a shopping or restaurant district, we suggest that you use our free weekend shuttle service or public transit buses. You will receive a shuttle schedule once you arrive on campus.

On weekends, our free shuttle van will run from the Mills campus to the Rockridge section of Oakland, a neighborhood with shops, restaurants, supermarkets, and a BART (subway) station with service to San Francisco and Berkeley. There is also a public transit bus stop next to the main gate into Mills. Three bus lines stop there regularly, with service to downtown San Francisco and various points in Oakland (the Laurel district, supermarkets and a drugstore on Fruitvale Avenue; the Lake Merritt/Lakeshore district; restaurants along Piedmont Avenue; downtown Oakland, etc.). For more information, please consult the transportation guide posted on the pre-arrival web site.

Please let me know if you have any questions. Although I will continue to work as the Arabic School Coordinator during the summer, I remain on the Vermont campus of Middlebury College. I will work to assist you in any way possible, but you will probably prefer to approach Dr. Abdalla or one of the bilingual assistants with your questions first. We will all be working together to make this a great summer for faculty, staff and students. I wish you a safe and pleasant journey to Oakland!

Sincerely,

Barbara Walter
Arabic School Coordinator
