NOTES:

(1) Applications and Admits include students who chose to defer enrollment until next year (carry-outs). Deposits include students who applied and were admitted the prior year who deferred enrollment (carry-ins).

quality since it shows that more students apply than can be accommodated. Transfer applicants are not included.

for September 2015 (1,551) and 38% of those students chose to enroll at Middlebury. These numbers are derived prior to the fall term (Admissions census). Yield rate is recalculated with enrollment census figures and shared with publications such as US News.

(4) Test Scores are reported for all students, regardless of whether or not the tests were a factor in their admission decision.
