Come to the Center for the Arts on April 9, preferably around 9:45 AM, to sign up for a time to perform your monologues. We will hear people individually in the order they have signed up. **All are requested to have a 45 - 60 second monologue.** Please keep to the time restrictions.

Memorization and preparation are strongly preferred.

**These auditions are open to all Middlebury College students.**

Don’t have a monologue? The theatre program has chosen a few sample monologues you can try on for size. Stop by the Mahaney Center for the Arts upper lobby (outside room 232) to pick up copies. Or, go/theatre to download.

A list of those students called back will be posted outside room 232 and/or emailed on Saturday Evening, April 9th

**Callbacks** will occur Sunday – Thursday, April 10-14.

Cast lists will be posted prior to registration.

**Copies of the scripts will be available in the theatre office, MCA 332.**

This is the only audition for anyone wanting to act in a *departmental* show for the fall term, so come get involved in theatre at Middlebury!
