STUDENT COMPLAINTS, REPORTS OR REQUESTS FOR INFORMATION

Students or other parties with complaints or grievances against the Bread Loaf School of English (“BLSE” or the "School") should first seek to resolve their complaint directly with the school as described below. Absent extenuating circumstances, or unless otherwise stated in a particular BLSE policy or contract, the investigation and resolution of a report or complaint will ordinarily be completed within 45 days from the time a complaint is made to the appropriate BLSE official (see policies below). This time period may be shorter or longer depending on the circumstances, including but not limited to the complexity of the case and the availability of witnesses. The time frames for the investigation and adjudication of harassment, discrimination, sexual misconduct, and related retaliation complaints are set forth in the Anti-Harassment/Discrimination policy.

An individual not directly involved in the area of the complaint will be assigned to conduct an investigation as an impartial representative of the institution.

In cases where a student or other party is not satisfied with an institution’s resolution of a complaint, the student or other party may submit a complaint to the New Mexico Department of Higher Education in writing on a form provided by the department (see link to form and contact information below). A student must file a complaint with the department within three (3) years of his/her last date of enrollment.

Adverse action will not be taken against a person for filing a complaint against BLSE.

BLSE shall maintain adequate records of all complaints and their resolutions for a period of not less than three years.
