2019 Summer Experience/Internship Essay Prompts for CCI Competitive Grants

Write a 750 word essay using the appropriate prompt for the grant to which you are applying. **Upload your essay into the attachments section of your Handshake Experience immediately after completing your Experience Funding Request.**

Essay Prompt for \$3000 Summer Internship Funding Grant:

Tell us about your project or the organization with which you will be working: its mission, goals, size, etc (include a link to website if applicable). What will your responsibilities be? What do you hope to learn/accomplish? What three skills do you hope to develop as a result of this experience? How will you apply your liberal arts learning? How might this experience contribute to your aspirations for life after Middlebury? If relevant, explain why this funding will make this experience possible for you. (750 words minimum)

Essay Prompt for First-Year Explore Grant:

Tell us what path you want to explore and why? Describe either your project or the organization with which you will be working: its mission, goals, size, etc. (include a link to website if applicable). What will your responsibilities be? What do you hope to accomplish? What are three learning goals you hope to achieve? How will you apply your liberal arts learning to this experience? How might this experience enrich the rest of your undergraduate years or contribute to your aspirations for life after Middlebury? If relevant, explain how this funding will make this experience possible for you. (750 words minimum)

Essay Prompt for Dance Festival Grant:

Tell us about your organization/project and what you will be doing. What do you hope to learn/accomplish? What three skills do you hope to develop as a result of this experience? How will you apply your liberal arts learning? How might this experience contribute to your aspirations for life after Middlebury? If relevant, explain why funding will make this experience possible for you. (750 words minimum)
