Bread Loaf Campus Details for October 5-7, 2018

- The front desk hours are listed above. It is located in the main Inn building. You will receive your building/room assignment and any passcodes or keys you will need there. If you plan to check in after 11:00 p.m., a packet will be left at the front desk with your name and key code. Please call 802-443-2700 if you need to check in after hours.
- Bread Loaf is a quaint old campus. The lodging is rustic and varies from building to building. Please keep this in mind as you prepare for your stay.
- Most of the sleeping arrangements are single beds—either one or two in a room—think dormitory. We do not put people in the same room unless you registered as a couple or you requested it. With few exceptions, bathroom facilities are shared.
- Rooms are simply furnished, with linens, towels, one pillow per bed, and blankets. Although the buildings are heated, the heating systems vary. Rooms have extra blankets in the closet, but you may wish to bring an extra blanket. Some guests also have found bringing a reading lamp to be helpful.
- The weather at the Bread Loaf campus in mid-October can range from the 40s to the 60s during the day, down to the 30s in the evening, so please pack warm clothes and layers (and perhaps a raincoat).
- There is limited cell phone coverage at Bread Loaf, so we hope you can “turn off” while you are on the mountain and immerse yourself in the location. There is Wi-Fi and computers are available. Telephones are located in the hallway of all living quarters.
- A full breakfast is served at Bread Loaf each morning, Friday through Sunday. Basic items can be purchased at a general store located a short drive from the Bread Loaf campus.
