| **Chemistry and Biochemistry** | • All students wishing to take chemistry during their first year are required to take the chemistry placement test, except for those who have received credit based on the AP exam, International Baccalaureate HL exam, or British A levels. The Placement Exam will assist the Department of Chemistry and Biochemistry in determining whether placement in CHEM 0103 or CHEM 0104 is more appropriate. Students who enter with advanced placement should register for CHEM 0107.  
   • After you have completed the online placement exam, go to [http://www.middlebury.edu/academics/chem/resources/placementexam/chem-exam-results](http://www.middlebury.edu/academics/chem/resources/placementexam/chem-exam-results) to interpret your results.  
   • If you have questions about your results, contact Molly Costanza-Robinson (mcostanz@middlebury.edu) to discuss the best placement for you.  
   • See “Instructions for Online Placement Exams” on the last page. | Computer-based written test; may use a calculator | 60–90 minutes | Professor Molly Costanza-Robinson, x5571, mcostanz@middlebury.edu or Department Coordinator Judy Mayer, x5451, jmayer@middlebury.edu |

<p>| <strong>Chinese</strong> | Sunderland 110 | All students who have learned some Mandarin (at home, in the classroom, and/or abroad) and who wish to continue their study of Mandarin at Middlebury at any level other than the Fall Semester Beginning Chinese (CHNS 0101) are required to take the placement exam and should do so during the orientation week of their first semester at Middlebury. Students who have studied Mandarin but who wish to start over at the beginning in the Fall (CHNS 0101) do not need to take the placement exam. | <strong>Interview; reading comp. and writing evaluation as necessary</strong> | 60 minutes | Professor Thomas Moran, x5870, <a href="mailto:moran@middlebury.edu">moran@middlebury.edu</a> |
| <strong>Computer Science</strong> | 75 SHS, 2nd Floor East Lounge | No placement exam is offered for computer science. Students wishing to enroll in Middlebury CS courses beyond the 100-level should go 75 SHS, Second Floor East Lounge on Tuesday, September 8, any time between 12 p.m. (noon) and 1 p.m., to meet with CS faculty and determine appropriate placement. | None; meet with faculty if wishing to enroll in CS beyond the 100-level |  | Professor Matthew Dickerson, x5460, <a href="mailto:dickerso@middlebury.edu">dickerso@middlebury.edu</a> |
| <strong>Economics</strong> | Warner Hall 201 | There is no placement exam in Economics. However, students with IB score of 6 or higher on the IB Higher Level economics or a grade of A on A-Level Economics that can be used to fulfill the intro (macro and/or micro) economics course requirements should contact Amy Holbrook about getting a “placement” code added to their record for the purpose of registration. Students with a score of 6 or higher on the IB Higher Level economics or a grade of A on A-Level Economics receive course credit for one intro (macro or micro) economics course. The other credit must be made up with an additional elective. Students with IB Statistics, or a grade of B or better on A-Level Statistics, that can be used to fulfill the ECON 0210 Economic Statistics prerequisite should contact Amy Holbrook about getting a “placement” code added to their record for the purpose of registration for courses with ECON 0210 as a prerequisite. Since Banner Web does not recognize transfer credits, students who have other transfer credits that can be used as an econ course equivalent should contact Amy Holbrook about getting a prerequisite override for the purpose of registration. Students with an AP score of 4 or 5 in macro and/or micro economics will receive one credit per AP score after they are officially submitted to the Registrar’s Office and according to the rules outlined on the Economics Department Requirement’s page. For any of the circumstances listed above, if the credits have not been officially transferred to your Middlebury record please plan to do so immediately and, in the meantime, be prepared to show proof of your scores to Amy Holbrook to get the appropriate override or “placement” code added to your record for the purpose of registration. Students failing to transfer credits towards the minimum total for the major will be required to take additional electives to meet the minimum number of 11 economics courses. For more detailed information on IB, A-Levels, and Transfer of Credit, please refer to the economics department’s Requirement page, <a href="http://www.middlebury.edu/academics/econ/requirements">http://www.middlebury.edu/academics/econ/requirements</a> or set up a time to meet with Amy Holbrook. | None; Meet with Department Coordinator |  | Professor Jeff Carpenter, x3241, <a href="mailto:jcarpent@middlebury.edu">jcarpent@middlebury.edu</a> or Department Coordinator Amy Holbrook, x5327, <a href="mailto:holbrook@middlebury.edu">holbrook@middlebury.edu</a> |</p>

### Mathematics

**Warner 309**

- No placement exam is offered for mathematics; each student will receive an e-mail when they arrive on campus for orientation, based upon review of high school transcripts. *Students will only be able to register for the courses into which they were placed in this e-mail.* Should any concerns arise regarding math placement, or if no placement has been determined, students are invited to discuss this with the Department of Mathematics, either in Warner 309 during the placement exam period or at Academic Forum.
- Advanced placement in the department is offered to first-year students whose secondary training indicates they can commonly bypass one or more of the beginning courses in mathematics. *Students who have earned grades on advanced placement calculus exams that are eligible for credit may not register for the equivalent course at Middlebury College.* Thus, students who have earned 4 or 5 on the Calculus AB exam or a 3 on the Calculus BC exam may not register for MATH 0121, and students who have earned 4 or 5 on the Calculus BC exam may not register for MATH 0121 or MATH 0122. This policy applies irrespective of whether students choose to use their AP credits toward meeting Middlebury’s graduation requirements. The following international credentials carry the same credit as a 4 or 5 on the Calculus BC Exam: A-level exam with a mathematics grade of A, B, or C; or IB Higher Level Mathematics with a grade of 6 or 7.

### Music

**Mahaney Center 306**

- All students who wish to place out of Music 0160, Music Theory I: Fundamentals, should take this exam. A score of C or better is required to receive placement into any courses that have MUSC 0160 as a prerequisite.
- Students with an AP score of 4 or 5 in music theory may take this exam. If they receive a grade of C or better, they will receive credit for MUSC 0160 and placement into any courses that have MUSC 0160 as a prerequisite.

| **(Luso-Hispanic Studies) Portuguese**     | - Students wishing to take Beginning Portuguese for Romance Language Speakers need to have taken either FREN 0205, ITAL 0251, or SPAN 0220; OR have taken the French, Italian, or Spanish placement exam and be placed at FREN 0210, ITAL 0252, or SPAN 0300 or above.  
  - Students wishing to study Portuguese in any other course must contact Professor Enrique Garcia (egarcia@middlebury.edu) to set up a personal interview. | Professor Enrique Garcia, x5272, egarcia@middlebury.edu                                                                       |
| **Psychology**                             | - Students with an AP score of 4 or 5 in psychology, or a score of 6 or 7 on the IB Higher Level Psychology exam, do not need to take the placement exam. If the AP or IB credit has already been transferred to Middlebury, students automatically receive one course credit for PSYC 0105, Introductory Psychology. If the AP credit hasn’t been transferred yet, please talk to Professor Arndt about getting the credit temporarily added to your record for the purpose of registration. Students with lower AP/IB scores or who have done previous psychology course work may choose to take the department placement exam. A passing score on the placement exam means that students may enroll in courses that have a PSYC 0105 prerequisite, but it does not provide credit toward the major/minor, graduation or other College requirements. | Short test 15–25 minutes

Note: If you are not already logged in, you will be taken to a login screen. When prompted, enter your Middlebury College username (first part of your e-mail address) and password to proceed to the exam.

Step 3: Enroll in the exam. You will arrive at the enrollment screen. It indicates the name of the exam that you will be taking with the heading, Enroll in ___ Placement Exam. Click once on the Enroll in Course button at the upper right corner of the screen to continue. The screen will change to indicate that you have successfully enrolled, and two buttons, Go to your Dashboard and Go to the Course, will appear.

Step 4: Complete the exam. Click once on the Go to the Course button at the top right. A screen with the exam name and instructions will appear. Read the instructions completely, then click where indicated to begin.

- Chemistry and Biochemistry. After you have completed the exam, please go to [http://www.middlebury.edu/academics/chem/resources/placementexam/chem-exam-results](http://www.middlebury.edu/academics/chem/resources/placementexam/chem-exam-results), to interpret your results.
- French. There are two parts to the exam: The first asks background information about you and the second is the actual exam. Make sure to complete both sections in order. Once you begin a section, you must complete it; you cannot return to a section of the exam after you have begun. The purpose of this exam is to assist in optimal placement at Middlebury, so do not use a dictionary or other materials to assist you.
- Latin. You may use a dictionary. There are two parts to the exam: 1) Latin Studies Background and 2) Latin Placement Exam. The placement exam should take about 45 minutes to complete and involves translating two passages. More instructions will be available online.
- Russian. All students who have taken the exam, whether in advance or after arrival, should come to Freeman Seminar Room 1 on Tuesday, September 8 any time between 11 a.m. and 1 p.m., for an oral interview.
- Spanish. Do not click the “Submit” button until you have completed the entire exam. You must complete the exam in one sitting, or you will get closed out. It should take 30–60 minutes. Results will be posted during orientation week.

Step 5: Log out. After completing the exam, click once on the Account icon in the left sidebar. Then click once on the grey Logout button that appears in the slide-out menu.

*If you are unable to take your exam before you come to Middlebury: Go to Computer Lab Axinn 105 on Tuesday, September 8 at 11 a.m. Bring your ID number and Middlebury email address. Computers will be provided. You may bring and use your own laptop if you prefer.

Step 2: Login to Canvas. Open your web browser and enter the URL that corresponds to your exam.
