Hello families!

Happy July…it’s hard to believe we will welcome new students to campus in a little over a month. As you prepare for this transition, we thought we would take a minute to share some resources and opportunities with you:

1. **Family Orientation** will be held on September 8 and 9. Attached is a draft of our Family Orientation schedule. More information will be posted on our MiddView website shortly. We hope you will consider joining us!

2. We recently mailed a copy of our Resource Guide and Student Workbook to all new students and their families. These publications will answer a lot of questions, and we encourage you to read through these materials with your student.

3. If you are planning to **stay overnight** in Middlebury on Tuesday, September 8, we invite you to reserve a room at our Bread Loaf campus. Accommodation and breakfast will be provided for $50/person. You can reserve rooms through August 15. For more details, visit our Bread Loaf website. Room assignments will be emailed in mid-August.

4. For those of you who are making plans to spend some time in Middlebury, please check out this link to the Addison County Vermont website; it’s filled with great information about lodging, dining, shopping and finding resources in our community.

5. When students are away from home they frequently reminisce about family, friends and good times and those comforting meals that come from home. In an effort to make our students feel at home throughout the year, our Dining staff have plans to feature **family recipes** in the dining halls to recreate some of those great memories. Please see the attached form for more information on how you can submit a recipe.

6. **Class photos** are now for sale. They are a neat memento of your student’s first week at Middlebury. Orders can be placed here.

That’s it for now! If you or your student have any questions, please don’t hesitate to contact us at middview@middlebury.edu. We look forward to meeting you and your student in September!

All the best,

The MiddView Planning Team
