Immunizations Required by Vermont Law

1. You must be up-to-date with the 5 immunizations, as outlined in the table below.

2. Obtain an official copy of your Immunization Record (and a Request for Provisional Admittance, if requirements not yet met) from your health care provider, and upload it through the Health Portal.

3. Students who have no record of immunizations or have incomplete immunizations must submit a Request for Provision Admittance form (in this packet).

4. In rare cases, you will not be able to obtain a record of immunizations. In that case, try to obtain these records from previously attended schools or from your State Immunization Registry. Blood tests can be obtained to determine immunity.

5. Please have your health care provider review these guidelines.

6. According to the Vermont law, students who do not meet the Vermont immunization requirements must be excluded from school. Failure to upload required forms by the deadlines may result in exclusion from campus, room key holds, and registration holds.

The following requirements MUST BE MET:

Request for Provisional Admittance

Prior to college entry, Vermont’s Immunization Rule requires that students have certain immunizations. Exemptions exist for medical or religious reasons. Students are allowed provisional admittance temporarily IF the student has an appointment scheduled to receive the missing vaccine(s), consistent with the Centers for Disease Control and Prevention (CDC) immunization schedule. Please bring this form to your health care provider for completion. Please upload this completed form with your Immunization record to date.

Student first/last name __________________________ Date of Birth ___________ MC ID# __________________________

Failure to comply with the Immunization Rules will result in exclusion from Middlebury College.

The student named above is in the process of completing vaccine requirements. Vaccination Appointment(s) scheduled as follows:

<table>
<thead>
<tr>
<th>Vaccine</th>
