When do you plan to complete your thesis, F/W, W/S, or F/S (by approval only):

Please outline your preliminary ideas for your thesis. You should provide two potential topics. One topic may focus on a country or region of the world; the other should be thematic (e.g. on imperialism, nationalism, environmental history, gender) or focus on another country or region. It is important that you provide two topics as this will help the Chair who will select your advisor. You should also indicate if you have identified primary sources. Each description should be about 100 words.
