Applying for a Form I-20

To enter the United States in a status that allows study, non-U.S. citizens and non-Legal Permanent Residents of the United States must obtain a Form I-20 [Certificate of Eligibility for Non-immigrant (F-1) Student Status] issued from the Student Exchange Visitor Information System (SEVIS). For Middlebury College to issue your Form I-20, you must complete the Academic Year Form I-20 Application Form available on the ISSS website (see next page for web link).

Please note: Citizens of Canada and Bermuda need a Form I-20 and a valid passport; they do NOT need to apply for a visa at a U.S. Consulate. Instead, these citizens only need to present their valid I-20 and passport at the U.S. port of entry to enter the country in F-1 status.

If you are a non-U.S. citizen or non-U.S. Legal Permanent Resident and have a reason for not needing to obtain an I-20 or F-1 visa, please notify ISSS. If possible (and if you have not done so already), please provide us with a copy of any pertinent visa status or immigration documents so that we can update your records.

Students already in the U.S. in F-1 status also must submit the application and complete the I-20 SEVIS transfer process. If you are currently studying in the U.S. on an F-1 student visa, please be sure to note that on your I-20 application; special procedures for completing the I-20 transfer process will apply.

September Entrants: Please complete your I-20 application by June 1. We will strive to issue your I-20 along with instructions for obtaining an F-1 (student) visa within two weeks of receiving your completed application.

February Entrants: Please complete your I-20 application by November 1. We will strive to issue your I-20 along with instructions for obtaining an F-1 (student) visa within two weeks of receiving your completed application.

When ISSS sends your Middlebury College I-20, we will provide you with specific instructions about next steps. When we notify you by email that we mailed your I-20, ISSS will provide guidance about how to pay your I-901 SEVIS Fee (at least 3 days before your visa interview), and how to schedule a visa appointment at a U.S. Embassy or Consulate (ideally in your home country). (Please be aware that the U.S. Embassy or Consulate will not issue an F-1 visa more than 120 days prior to your I-20 program start date, found on page 1 of your I-20.)

In the meantime, we recommend that you check the website of the U.S. Consulate nearest you to learn more about the visa application process, including the process for making an appointment. For visa application guidance and wait times for obtaining a nonimmigrant student visa in your country, please see: https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/wait-times.html.

Please note: While you may receive your F-1 visa up to 120 days prior to your program start date, you may enter the United States in that visa status no more than 30 days before your program start date. Plan your travel accordingly.

Upon receiving your Form I-20 from Middlebury College, you should apply for a visa as soon as possible. Applying for a visa can take one month or more, depending on the country. If you are subject to administrative processing, the process could be delayed several weeks. If you are unable to obtain a visa in time to arrive in Middlebury by your intended start date, alert ISSS as soon as possible because you may need to request a deferral to a future academic term.

I-20 Application Instructions

For Middlebury College to produce your I-20, you must submit the following four items:

1. **Completed Middlebury College I-20 Application Form** for Academic Year students located on the ISSS website at [http://www.middlebury.edu/international/isss/visas](http://www.middlebury.edu/international/isss/visas). Carefully read the I-20 Instructions first. You will need to have scanned copies of your financial documents and passport ID page to upload as part of the online submission process.

2. **Copy of your passport identification page** showing name, photo, date of birth and passport expiration date.

**Financial Documentation:** U.S. immigration law requires official certification that you have the necessary financial resources to pay for your tuition and living expenses for your first academic year in the U.S. Financial documentation includes both a bank letter and a financial sponsor letter. *(A letter of employment may be used in lieu of a bank letter.)* The bank and financial sponsor letters must adhere to the guidelines.

*If more than one person is providing funds, submit both a bank and financial sponsor letter for each person.*

3. **Bank Letter.** Provide a signed bank (or employment) letter. **Electronic copies accepted.** The letter must:
   - Be dated on or after **March 1 for September entrants; (February entrants: dated on or after August 1);**
   - Be on official bank or employer letterhead;
   - Include the account holder’s name (or the name of the employee);
   - Indicate the type of account. Funds need to be immediately available to the student, such as in a checking or savings account. Funds that are invested (mutual funds or tied up in assets) cannot be used to show financial support. *(Employer letters must refer to annual salary sufficient to pay the estimated costs for your first year. Certificates of Deposit need to mature and be available on or before program start date.)*
   - Indicate the balance of the account(s) from where the financial support will come.
   - Indicate the currency of funds, preferably in U.S. dollars (US$). If your bank cannot issue the letter with a currency conversion, the document must clearly state the currency of funds listed;
   - Be signed by an official of the bank or employer;
   - Be stamped with the bank or employer’s seal, if available;
   - Be written in English or have an official English translation attached;
   - Show available funds to pay the cost of your first year of e, as listed on your Financial Aid Notification.

   ★ If you receive financial assistance from Middlebury College, the bank letter must show funds to cover your family’s costs (i.e. Estimated Family Contribution or EFC) as listed on your Financial Aid Notification.

   ★ If you do not receive financial assistance from Middlebury College, the bank letter must show funds of at least $76,946 as the estimated total costs.

**NOTE:** If you indicated in your application to Middlebury that you did not intend to apply for need-based financial aid, please be aware that financial aid will not be available for you during your four years at Middlebury, even if your family’s circumstances change. Your acceptance letter also refers to this.

---

**February Entrants:** If you receive financial aid, your Financial Aid Notification shows Spring Term amounts only. To issue an I-20, we must see proof of funds to pay the costs for a full academic year. Therefore, you must show documentation for double the amount of your family contribution on your Financial Aid Notification.
4. **Signed Financial Sponsor Letter.** Electronic copies accepted.  
   The person(s) in whose name the bank funds are held (i.e. the account holder) must submit a letter that:
   - Declares that, as your financial sponsor, they will cover the costs of the first year of your education with funds shown in the bank letter, and they intend to pay the costs of your entire enrollment at Middlebury;
   - Refers to the relationship (parent, relative, etc.) between the sponsor and you;
   - Is written in English or has an official English translation attached;
   - Includes the account holder’s original signature and date.

Keep copies of all financial aid and related documents submitted to Middlebury College with this application. The U.S. Consulate may ask you to present this documentation when you apply for your visa, and in some cases, you may be asked to show them to the U.S. Department of Homeland Security when you enter the U.S.
