Middlebury College

Laboratory Waste Collection Log

This form must be filled out prior to a waste pick-up. Waste will not be removed from the lab unless the form is completed in full, waste is properly containerized, and containers are labeled and in suitable condition to be handled and transported.

Principal Investigator/Lab Supervisor: _____ Department:_____

Location/Room #:_____ Phone #:_____ Date:_____

Please fill out each section completely.

DO NOT PLACE INCOMPATIBLE MATERIALS IN THE SAME CONTAINER.

Container ID	**Material Description** (BE SPECIFIC - i.e. "Halogenated Solvents" is NOT acceptable!)	**Date Waste 1st Placed in Container**	**Container Size/Waste Quantity** (Kg, L, weight, % volume)	**Waste (W) or Unused (U) Product**	**pH**

All hazardous waste disposal must be in accordance with applicable Vermont and Federal guidelines and Middlebury College's standard operating procedures. Separation of waste to avoid unwanted reactions in waste collection containers is required. Please contact Laboratory Stores at X 5619 for more information.

FOR WASTE PICKUP: Send completed form to Laboratory Stores Manager, Bicentennial Hall, Room 120, or e-mail to cacarr@middlebury.edu
