Middlebury Institute of International Studies at Monterey
Graduate Programs at the Middlebury Institute

The Monterey Institute offers professional graduate degrees with an international focus through its Graduate School of Translation, Interpretation and Language Education and its Graduate School of International Policy and Management. Certificate programs and a variety of short programs and language learning options also equip our students to be the solution around the world.

The Graduate School of International Policy and Management
Offers a unique concentration of graduate degree and non-degree programs that address the most challenging global issues of our time and prepare the next generation of global problem solvers and transformational leaders.
