Hello Middlebury Families!

In just over two months, we will be welcoming your first-year, transfer, and exchange students to our campus. As you and your student prepare for their arrival to Middlebury’s campus, we wanted to provide you with some useful information regarding your student’s MiddView Orientation.

1. Family Orientation is completely optional, but open to all family members of students who will be in Middlebury an extra day. Activities will take place on both September 5th and 6th. You may view a family orientation schedule here.

2. All students should have received, or soon will receive a Resource Guide in the mail. An electronic copy is also available here on our Communications page. This publication will answer a lot of questions regarding student and academic life, and we encourage you to read through it with your student.

3. If you are planning to stay overnight in Middlebury on Monday, September 5th, we invite you to reserve a room at our Bread Loaf campus. Accommodation and breakfast will be provided for $50/person. You can reserve rooms until August 12th or when space is exhausted. Room assignments will be e-mailed to you in mid-August. For more details, visit our Bread Loaf website here.

4. For other lodging, dining, and shopping options during your stay in Middlebury, please visit the Addison County Vermont website to see what resources are available locally for you or your student.

5. The College will offer bus shuttles from Burlington International Airport (BTV) to campus on move-in day, September 5th. These buses will depart from the airport at 12:30pm and 3:30pm. Tickets are $12 and will be available for purchase on the College’s online box office the 1st of July.

6. When students are away from home, they frequently reminisce about family, friends, and their homes. In an effort to make our students feel more comfortable on campus, our dining staff plan to feature family recipes in the dining halls with their Recipes from Home program. The online form to submit a recipe is available here.

If you or your student has any questions, please don’t hesitate to contact us at orientation@middlebury.edu or 802.443.3103. We look forward to meeting you and your student in September.

Sincerely,

Zoe Keskey ’18 and Kaeng Takahashi ’17
