Hi new student,

To ensure your smooth transition to becoming a Middlebury College student, you must meet certain prearrival deadlines. You’ll find these in your Prearrival Checklist, and many of the forms and steps can be completed online.

- Access your Prearrival Checklist on BannerWeb, Middlebury’s online database for academic and personal information.
- Log in with your user ID (your 8-digit Middlebury ID) and PIN (your birthdate in MMDDYY format, unless you’ve already changed it).
- Fill out the required forms, which include items such as contact information for your family, your arrival and orientation plans, health forms and insurance information, housing questionnaires, and how to submit your ID photo.

If you have questions, just contact us—we are happy to help!
