The annual “Applying to College” workshop sponsored by the Admissions Office has been scheduled for Friday, June 9 of Reunion Weekend at McCardell Bicentennial Hall. High school-age children and grandchildren of Middlebury alumni, faculty, and staff as well as students from Vermont high schools and their parents are invited. Preference is given to juniors in high school. This program gives an overview of the general selective college application process and does not focus on Middlebury College.

The workshop for students covers: 1) The admissions process: The student’s responsibilities in owning and directing the admissions process and, 2) An admissions office’s responsibility in owning and directing the admissions process. The workshop for parents addresses: 1) How to be a supportive and effective parent throughout the admissions process. (Rick Hazelton, Director of College Advising at Hotchkiss and Allison Stebe, Guidance Counselor at MUHS, will be joining the parent panel); and 2) a presentation and discussion of case studies of college applications. The student and parent workshops will run simultaneously.

In separate sessions, there will be a financial aid overview as well as a hands-on session reviewing the Common Application process.

Following the final presentation, individual afternoon appointments can be scheduled with Student Financial Services. In addition, for any students who are interested specifically in Middlebury College, a group information session will be conducted at 1:30 p.m. at the Emma Willard House (Admissions Office), and campus tours will be offered at 2:30 p.m. Questions?
