Preference is given to juniors in high school. This program gives an overview of the general selective college application process and does not focus on Middlebury College. It runs from 8:15 a.m. to 12:30 p.m. and covers five areas of the college application process:

1) choosing a college; 2) how to visit a college; 3) how a college admits its class; 4) financial aid; and 5) understanding the common application—a hands-on session. Following the final presentation, individual afternoon appointments can be scheduled with Student Financial Services.

For any students who are interested specifically in Middlebury College, a group information session will be conducted at 1:30 p.m. at the Admissions Office, and campus tours will be offered at 2:30 p.m. Questions? Please contact the Admissions Office at 802-443-3000.

Carolyn K Reidy ’71 is delighted to return to Middlebury for her 45th reunion, ever-grateful to the College for its important role in launching her into a life and career that has been more rewarding than she could have ever imagined. Since 2008 Carolyn has been president and CEO of Simon & Schuster Inc., after joining the company in 1992 and holding various executive positions. Prior to that that, she worked at Avon Books and Random House, where she began her career in 1976. Over the years she has had the privilege of publishing books by a veritable who’s who of distinguished and prize-winning authors, world figures, celebrities, newsmakers, and journalists. In recent years she has particularly enjoyed leading Simon & Schuster through a period of the most significant changes to the world of publishing in living memory.

Carolyn double majored in English and Russian at Middlebury, and met her husband, Stephen, while here. She then went on to earn an MA and PhD in English from Indiana University (the latter completed after she began working in publishing).
