Queering Sex Ed
Tuesday 4/18
Axinn 103, 7:00pm - 8:00pm
A workshop open to participants of all identities which will touch on the aspects of sexual health education that are geared specifically towards queer people. We will focus on more ignored, silenced, and taboo’d topics (that are super important to talk about!) and how they relate to communication and consent. Sponsored by Queers and Allies.

Sexual Assault Awareness and Prevention Month events are sponsored by Health and Wellness Education, MiddSafe Advocates, Queers and Allies, Green Dot, and our ConsentFest campus partners. The calendar is visible online at go/saapm17.
