700-level Prerequisites

IGS Students who intend to write a thesis in one of the following disciplines should prepare as follows.

Anthropology: Students who wish to work on a one- or two-semester senior project should work with their advisor(s) to ensure they are sufficiently prepared. Those who elect to work on a project for more than one semester must present their progress for review by two professors who will decide whether the project qualifies for extended study.

Geography: Students interested in writing an IGST thesis with a faculty member in Geography should work closely with that advisor to assure they complete coursework to sufficiently prepare themselves methodologically for thesis work.

History: Students must take HIST 0600 in the fall or spring of the junior year or the fall of the senior year.

History of Art and Architecture: Students writing a thesis must take HARC 0301 in lieu of one of the 4 electives at the 0200-level.

Political Science: one methods course (either PSCI 0213 or PSCI 0210).

Religion: Students must begin by writing a one-semester Senior Project which, if judged successful by the thesis adviser, may be continued as a two-semester thesis.

Sociology: Students must take SOCI 105. Additionally, students are strongly encouraged to take SOCI 301 or SOCI 302 by their junior year.
