## Thesis guidelines and deadlines

<http://www.middlebury.edu/academics/igs/thesis>

### 700-level Prerequisites

IGS Students who intend to write a thesis in one of the following disciplines should prepare as follows.

**Anthropology:** Students who wish to work on a one- or two-semester senior project should work with their advisor(s) to ensure they are sufficiently prepared. Those who elect to work on a project for more than one semester must present their progress for review by two professors who will decide whether the project qualifies for extended study.

**Geography:** Students interested in writing an IGST thesis with a faculty member in Geography should work closely with that advisor to assure they complete coursework to sufficiently prepare themselves methodologically for thesis work.

**History:** Students must take HIST 0600 in the fall or spring of the junior year or the fall of the senior year.

**History of Art and Architecture:** Students writing a thesis must take HARC 0301 in lieu of one of the 4 electives at the 0200-level.

**Political Science:** one methods course (either PSCI 0213 or PSCI 0210).

**Religion:** Students must begin by writing a one-semester Senior Project which, if judged successful by the thesis adviser, may be continued as a two-semester thesis.

**Sociology:** Students must take SOCI 105. Additionally, students are strongly encouraged to take SOCI 301 or SOCI 302 by their junior year.
