July 2012

Dear Parents,

Welcome to the Middlebury Community! We look forward to getting to know you and your students in the years to come.

We hope you will find the materials in this folder helpful and informative. Most of the items are self-explanatory but please note that while the Family Orientation Guide comes from the College, the enclosed Parent’s Guide is a publication from the Chamber of Commerce. There is an official Parents’ Guide from the College which can be found online at http://go.middlebury.edu/parentsguide.

The enclosed Parents’ ID Card will be useful when you visit your student on campus. It will give you free admission to regular season hockey games, discounts at the Middlebury College Box Office for the Performing Arts series, and to any of the shows put on by the Theatre, Dance, and Music Departments. The ID Card will also give you access to our athletic facilities such as the fitness center, natatorium, and tennis courts.

Please don’t hesitate to contact us if there is anything we can do to make your Middlebury experiences more memorable and we hope to see you on campus during Orientation in September and for Fall Family Weekend in October. Don’t forget to visit us on the Web at http://go.middlebury.edu/parents and on Facebook at Middlebury Parents.

Sincerely,
