CAMPUS MAP INSIDE
PAGES 8–9
WELCOME!

And congratulations on your acceptance to Middlebury College, the leading global liberal arts college of the 21st century.

We have organized Preview Days to give you a sense of what Middlebury is like, not just academically but environmentally and culturally as well. You’ve put in a lot of time and effort to get to this point—many of you have several exciting colleges from which to choose—and this visit is your opportunity to see how Middlebury feels to you.

Please don’t hesitate to ask questions as you consider whether Middlebury feels like it could be home for you for the next four years. To help, we have put together a short list of questions prospective students often ask that can yield intriguing answers. Check it out on the last page.

Feel free to spend one, two, or all three days with us—there is a lot to see and do.

Finally, please be sure to say hello at some point during your time with us on our beautiful campus. I’m looking forward to meeting each of you personally.

Have a great visit!

Sincerely,
Greg Buckles, Dean of Admissions
