Pedagogy Roundtable Series

The purpose of this pedagogy series is to provide faculty with an opportunity to reflect on teaching experiences from the past year and to consider new ideas for future classes. Each Roundtable, Seminar, or Workshop lists faculty members who have made a commitment to engage in discussion with others who choose to come. All faculty are warmly invited to every event. Refreshments will be provided; some events include lunch, as indicated.

**Week One**

- Tuesday, May 24
  - 10:00 A.M. Focus on First Year: Book Display and Refreshments
