Middlebury College ("Middlebury") is committed to making reasonable accommodations for qualified students with disabilities as required by applicable laws. We would like to take this opportunity to welcome you to the Middlebury community and to ask that you inform us of any disabilities for which you seek accommodation.

Qualifying disabilities can include, for example, visual impairments, hearing or mobility impairments, psychological and medical conditions, and learning disabilities which substantially limit one or more of a person’s major life activities and may necessitate modifications to Middlebury’s facilities, programs, or services.

To initiate the accommodation process, please fill out a Special Needs Identification Form (SNIF) online at [http://www.middlebury.edu/studentlife/doc/ada/snifs/undergradsnif](http://www.middlebury.edu/studentlife/doc/ada/snifs/undergradsnif) or contact SAS to obtain an alternative format of the form. The information that you provide regarding any special needs will be shared only with those individuals involved in the coordination and facilitation of services and accommodations that are required to make our programs accessible to you.

Middlebury reserves the right to request current documentation of physical and/or mental disabilities prior to the determination and facilitation of appropriate accommodations; documentation requirements are discussed in more detail in the ADA Policy. The full ADA Policy is available from SAS in a variety of accessible formats or on the web at [http://www.middlebury.edu/studentlife/doc/ada](http://www.middlebury.edu/studentlife/doc/ada).

The campus at Middlebury is spread out and includes some steep hills. Students with mobility impairments may benefit from acquiring a personal mobility device, such as a motorized scooter, to assist with the navigation of the campus terrain. Please note that this type of personal equipment is the responsibility of the student.

Similarly, Middlebury is not responsible for services of a personal nature. Students with needs in this area are encouraged to consider obtaining a personal assistant or personal care attendant if they are unable to function independently on campus. Students requesting an air conditioner as an accommodation are advised that such requests should be made in accordance with the guidelines established in the Thermal Comfort Policy located on the web at [http://www.middlebury.edu/about/handbook/misc/thermal_comfort](http://www.middlebury.edu/about/handbook/misc/thermal_comfort).
