High school age children and grandchildren of Middlebury alumni, faculty and staff as well as students from Vermont high schools are invited. Preference is given to juniors in high school. This program gives an overview of the general selective college application process and does not focus on Middlebury College. It runs from 8: 8:15 a.m. to 12:30 p.m. and covers five areas of the college application process: 1) choosing a college; 2) how to visit a college; 3) how a college
admits its class; 4) financial aid; and 5) understanding the common application—a hands on session. Following the final presentation, individual afternoon appointments can be scheduled with Student Financial Services. For any students who are interested specifically in Middlebury College, a group information session will be conducted at 1:30 p.m. at the Admissions Office, and campus tours will be offered at 2:30 p.m. Questions? Rinhart, one of the foremost collectors of American photography.

Pieter Broucke, Associate Curator of Ancient Art, will give an overview of The Language Schools at the Art Museum, an exhibition he co-curated with Sabarsky Graduate Fellow Peter Moore ’14 to celebrate the centennial of the Middlebury Language Schools. The exhibit, which includes two works for each language, strikes a balance between historical and contemporary works, highlights the geographic reach of each language, and provides surprising juxtapositions of subject matter.
