Oscar-winning director Guillermo del Toro adapts Mary Shelley's classic tale of Victor Frankenstein, a brilliant but egotistical scientist who brings a creature to life in a monstrous experiment that ultimately leads to the undoing of both the creator and his tragic creation.

Popcorn & pizza reception @ 6:30
Screening starts @ 7:00
Dana Auditorium

This sprawling epic takes audiences from the remote reaches of the Arctic to the bloody battlefields of 19th-century Europe, as Frankenstein and his Creature go on their own search for meaning in a world that can seem quite mad. ..Guillermo del Toro's Frankenstein is a reminder of how, at heart, we are all creatures, lost and found.

Do not miss the chance to win one of *four* **\$25 declining balance prizes and some super cool film-related merchandise!** At our next screening, just grab your ticket at the door and be sure to stick around post-screening when we announce the lucky winners.
