

AMST SENIOR WORK PROPOSAL

You must complete and submit this form to the AMST Program Director

1. What is the title of your proposed project?
2. In one or two sentences, briefly explain your topic.
3. Why have you chosen this topic, and what do you hope to learn from studying it?
4. If your project focuses on a particular time period, what are the dates?
5. If your project focuses on a particular geographical area, what is that area?
6. Please list two scholarly works and two primary sources that are relevant to your project. For each source listed, please provide a one-sentence explanation of its relevance.
7. What form do you envision your project taking? (Possibilities include a formal written document, a video, a web project, a performance, an installation project, etc.).
8. Feel free to list the names of AMST core faculty that you feel would be especially good resources for you on your project.
