New Student Orientation

Hello!

We are so excited that you're coming to Middlebury this fall. Your first year is the beginning of new independence, possibilities, and personal growth. We are thrilled to support you!

Accessing Your New Student Onboarding Course

[It's time to enroll](#) in your New Student Onboarding Course. You need to complete the course modules and assignments [by the listed due dates](#), before coming to campus. Find more information about your course on [our website](#).

- You must complete your assignments to register for fall classes, complete your housing forms, and access information about support services and programs. Some of your assignments, such as placement exams, should be completed now. You can complete others later on as they are released.

Note: If you will be without access to the internet for extended weeks or months over the summer, [complete this form](#) immediately.

Orientation Arrival and Orientation Communication

Move-In Day is Monday, September 1, 2025, for most students. (If you're participating in an early arrival program, you'll get your arrival date from your program director or coach.) In August, we'll share specific Move-In Day details, including directions, housing assignments, parking, and your designated arrival time. You'll be assigned an arrival time sometime between 9:00 a.m. and 1:00 p.m.

We'll send your Orientation schedule in early July.

Contact us at orientation@middlebury.edu if you have any questions. For more information regarding Orientation, you can visit our [website](#) and follow our Instagram page ([@MiddOrientation](#)).
