Please Note:

- Classes that are not cross-listed with ENAM, even if they contain lots of literature in English, do not count for electives.
- If a course is cross-listed with ENAM, but is not taught by an ENAM professor, this course will fulfill an **elective** requirement only.
- CRWR courses cannot be counted toward the six ENAM courses required for the minor.
- Transfer credits from courses taken abroad may be used, when approved by the chair, to fulfill distribution requirements.
