PROPOSAL FORM

MUSC 704 – SENIOR WORK

To participate in Senior Work (MUSC 704) you must complete a proposal for approval by Music Department Faculty. Steps in the process are described below.

Juniors who wish to propose projects for Fall 2021:

Project proposals are due Friday, May 7, 2021

Consult a music faculty project adviser before you submit a proposal. Proposals without a faculty adviser will be delayed and may not be considered.

If you have an adviser but you do not have all details for the proposal, submit the most complete proposal that you can by the deadline. Proposals with advisers, but with areas of questions, will be reviewed.

Submit proposal and budget by these times in order to get project approval before registering for classes.

This is an opportunity to develop an individualized piece of work in a field of interest — music history, composition, theory, ethnomusicology, performance, electronic music, or other project that you create under the guidance from your music faculty advisor. Each requires a written component.

-To be eligible for Senior Work, a grade average of at least B+ in music department courses is required.

-While music majors are not required to do MUSC 704 Senior Work, music majors must complete MUSC 704 Senior Work with at least a B+ to be considered for Departmental Honors.

-Seniors may propose one- or two-semester projects.

-It is the senior’s responsibility to apply for Senior Work Funds to cover expenses expected to exceed music department funding. Funding proposals must be submitted before the indicated deadlines. (See Budget Worksheet.)
Steps in Preparing your Project Proposal

1. To begin, you must secure agreement from a music faculty member to be your advisor who will provide guidance for the duration of your proposed project.

2. Meet with your advisor to discuss your project ideas and review your proposal.

3. Communicate in advance with collaborators (fellow students, professional accompanists, and technical staff) about schedules, fees, and other provisions. If you plan a performance, we recommend you ask an Affiliate Artist music instructor (in voice or instrument you intend to perform) to serve as another advisor/coach.

4. Prepare your proposal:
   
   a. Complete the **Music Department Proposal Form**.
   b. Attach a separate **Project Description**: Provide a 1-2 page detailed narrative description of your proposed project. Be sure to include your reasons for selecting this particular project, preliminary concepts, initial production ideas, a description of the research you propose to do, and a preliminary bibliography. Your description must include an abstract for the paper and a timeline by which you plan to meet objectives and final deadline (specify).
   c. Attach a completed **Budget Worksheet**.
   d. Have your advisor review and sign the proposal form.

5. Submit your proposal for consideration by the music faculty. The department cannot guarantee that proposals submitted after the specified deadlines can be considered for approval in time for the student to meet the registration deadline.

**Steps To Take Once Your Proposal Has Been Approved**

1. Provide a copy of your signed proposal to the music department coordinator in MAC room 307.
2. Check in regularly to discuss your progress with your faculty advisor.
3. If you plan a performance, coordinating with others well in advance is key to the success of your event.

4. If you plan a performance in the Mahaney Arts Center Robison Hall –
   a. Check in with the music department coordinator to discuss your event within department scheduling.
   b. Stop in to see the Scheduling Coordinator Christa Clifford in MAC room 128 to schedule your concert date, time, and dress rehearsal, if needed.

5. If you plan to hold your concert elsewhere, see the music department coordinator to schedule through Events Management.

6. You are responsible for creating your event publicity poster and posting it on campus. The music department can assist with photocopies, given adequate time. You may work with Printing Services and Information Technology Services to help with design and color printing.

7. You are responsible for creating the printed program for your event. Program notes are required and your advisor will assess these as part of your grade. Notes should show evidence of research and include proper organization (composers, dates, etc.). Include short bios of performers. Check with the music department coordinator for specifics on format and production timelines.

8. If you plan to perform in Robison Hall, contact Technical Director Mark Christensen (x3174) to discuss your technical and equipment needs (including recording of the event, if desired). If you plan to perform elsewhere, you will coordinate technical needs through Events Management and recording needs through Media Services.

9. Upon completion of your project, you must submit two copies of your written work to the music department on record.

**Grading**

Your faculty advisor in consultation with other music department faculty and Affiliate Artist advisor, if appropriate will grade your project.
Department of Music
Project Funding

Maximum Music Department Funding:
$350.00 - for Independent 500 projects
$425.00 - for Senior 704 work

Complete the Budget Worksheet below to estimate your proposed project expenses. You should discuss/negotiate some expenses prior to submitting your project proposal for departmental approval. For example, if you plan to hire a professional accompanist, negotiate his/her rate for rehearsals and the performance ahead of time. NOTE: The department cannot pay student accompanists.

Please speak with your Project Advisor if you have questions.

YOU MUST SUBMIT YOUR FUNDING REQUEST WITH YOUR PROJECT PROPOSAL.

Other Funding Sources
If you expect your project will cost more than the Music Department maximum funding, it is up to you to cover the expenses.

- Seniors may apply for Senior Work Funds: go/srps
