

日本語の学生のみなさん、こんにちは。
来年、日本語ハウスに住みませんか。

We are looking forward to another great year at our same house at 20 Adirondack View.

We are looking for active and enthusiastic residents who are deeply interested in Japanese language and culture and are also willing to contribute to House programs and a positive living environment.

Preference for placement will be given to students enrolled in a Japanese language course, Japanese Studies majors, and students who intend to declare a Japanese major. Students who have not already lived in the House will also be given preference. We also take into consideration your prior participation in Japanese House events.

The Japanese House has three single rooms and one double room. We ask for your preference, but we unfortunately cannot guarantee a single room to any applicant.

Please use the attached application form for the Japanese Language House for 2023-2024. To be eligible for residence in the House, you must fill out this form and submit it by e-mail to Kyoko Hayasaka Davis at kdavis@middlebury.edu no later than Friday March 3 at noon.

You will be receiving the information on the Open House event hosted by Saido-sensei and the current Japanese House residents.

If you have any questions about the House or your application, please do not hesitate to contact me.

Kyoko Hayasaka Davis
Japanese House Faculty Advisor
