

Walking Directions To Sail Monterey

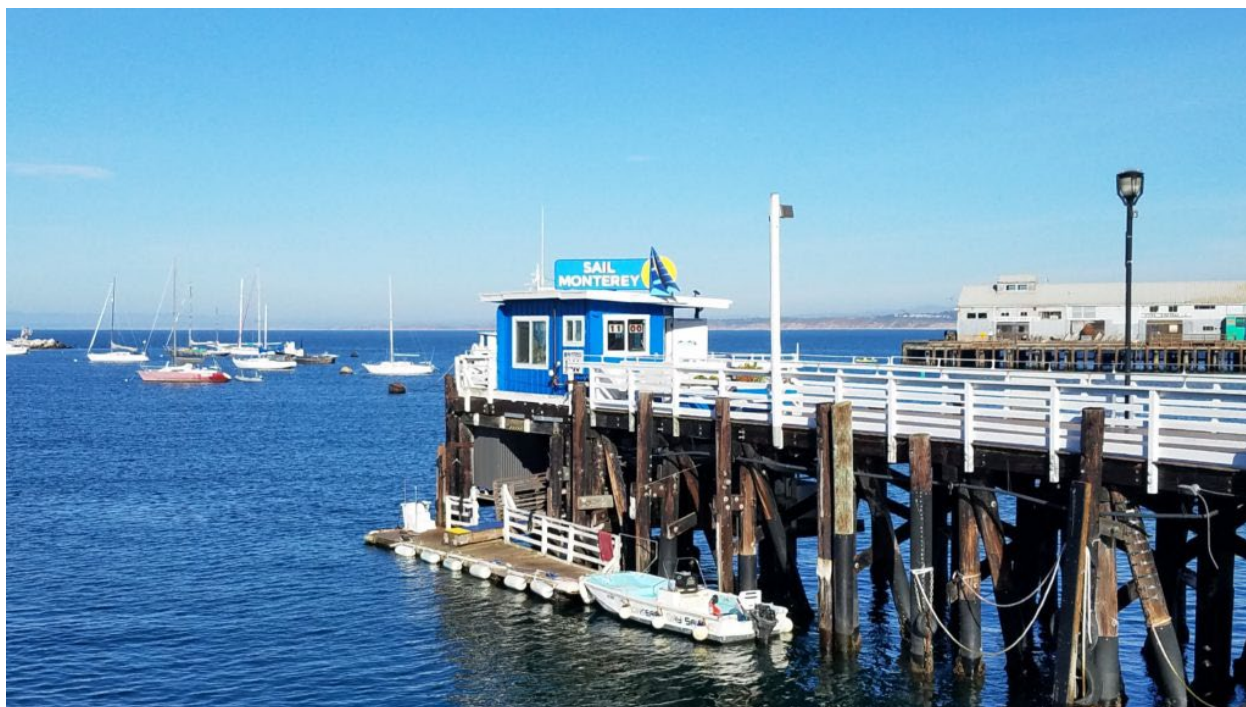

Make your way down the Old Fisherman's Wharf. Take a look at this map to see our location on the wharf.

1. Follow signs for "Old Fisherman's Wharf" towards the bright pink Harbor House Gift Shop.

2. Walk down the wharf until you reach the Crab House (with the big clock), then make a right onto the side pier.
3. Walk towards the end until you see the fisherman statue and turn left.
4. Our building is small and blue with a "SAIL MONTEREY" sign on top of it. You will see a sailboat docked next to it or behind it.

We can't wait to sail with you! Please read these important tips prior to your arrival so your adventure goes smoothly.

1. Please check-in at our office not later than 30 minutes prior to your departure time. (15 minutes is OK for this group)
2. Wear flat, non marking shoes, you are welcome to sail barefoot and this is recommended.
3. Cash Gratuity - bring some extra cash if you'd like to give your Captain/Crew a tip. This is not required, but dearly appreciated.
4. Bring your photo ID. We serve alcohol on our sailing cruises and we may need to check your ID.
