Friday, April 24th - Sunday, April 26th 2026

Your voice. Your impact. Nuestra comunidad.

Join us for a three-day professional development experience for SCI Alumni and professional interpreters who want to expand their skillset, strengthen their ethics, and build community with peers across medical, legal and educational interpreting.

Hosted by the Spanish Community Interpreting Certificate Program at the Middlebury Institute of International Studies, this workshop brings together instructors, alumni, and current students for an immersive and collaborative experience.

Participants will have the opportunity to practice in our state-of-the-art simultaneous interpreting booths, gaining hands-on experience with professional equipment and techniques.

What You'll Learn

CONFIDENCE & CLARITY

Master on-the-spot interpreting techniques that build your confidence in any setting.

ADVANCED ETHICS

Navigate real-world ethical scenarios with practical frameworks and guidance.

SELF CARE & REGULATION

Develop emotional resilience and self-care strategies for sustainable practice.
