I-20 Application Form (F-1 Visa)- Instructions

Congratulations on your admission to the Middlebury Institute of International Studies (Middlebury Institute). The International Student & Scholar Services (ISSS) department provides immigration-related support to all international students. The I-20 Application form provides information to the International Student Advisor who will be creating a SEVIS record for you and this document needs to be completed by all international students requiring an I-20 for F-1 student status. ISSS will also need to receive additional supporting documentation. The U.S. government requires the Middlebury Institute to obtain evidence that applicants have adequate funds to pay for their educational and living expenses while studying in the United States. In order to receive the I-20 document for your F-1 visa interview, you will need to complete the I-20 Application form and submit the following documents to the ISSS:

Application Check List
