Middlebury Guest - Wi-Fi Setup

Welcome to the Middlebury Institute of International Studies at Monterey. We hope your visit with us will be a pleasant one. Please use the following setup to register a guest account on our Wi-Fi network.

1. Open **Settings/Wi-Fi** on your laptop or device.
2. Choose the **MiddleburyGuest** network, and **Join**.
3. **Open your web browser**, you will be sent to the guest landing page*.
4. Click on **Create Basic Guest Account**.
5. Fill in your **name**, **cell phone number** and **email address**.
6. Review terms, **check box** to accept, then **Register**.
7. Retrieve your **temporary password from text or email**.
8. Enter your **email and temporary password**.
9. Accept terms of use again, click **Log In**.
10. Your **guest account is good for 4 days**.

* Safari browser and Apple Mail do not always work well on MiddleburyGuest, please use Google Chrome instead on iPhones, iPads and MacBooks.

If you are planning to stay longer than 4 days, simply re-trace the steps above for a new temporary password.

For assistance during regular business hours M-F please contact the ITS Help Desk at 831-647-6656. Don’t hesitate to call if we can be of assistance.
