GRADUATE INFORMATION SHEET
2020 Spring Commencement
Saturday, May 16, 2020 at 4:00PM (PDT)

The Spring Commencement Ceremony will be held in a Zoom webinar format. This will be a combination of both live and pre-recorded footage. All speeches will be live. Your flag will be represented in the opening video with Professor Mike Gillen playing his bagpipes, and your customized slide will be shown as your name is called during the awarding of degree(s). The Zoom webinar will be recorded and available for viewing a few days following the ceremony.

Graduates and faculty will be signed in as panelists to the webinar and can interact with each other via chat and video. Your sound will be muted, but you will be able to see each other. Graduates and faculty will receive a unique Zoom link that can only be accessed using your Middlebury Zoom account, and is not to be shared with anyone else. Your guests will join the Zoom webinar via the general guest link below OR they can access the live stream via the webpage.

BEFORE THE EVENT

Test Your Zoom Connection: Make sure you are logged into Zoom with your Middlebury e-mail username and password. You will not be able to access your unique webinar link if you use a different account. Before the event, we encourage you to join a test Zoom meeting to ensure your computer is set up properly. Visit Middlebury IT Services site for more information about Zoom.

If you are new to Zoom, visit: https://support.zoom.us/hc/en-us/articles/201362193-Joining-a-Meeting. Click the “Join a Test Meeting” link and then the “Join” button. If you have not used Zoom before, you will be prompted to download the Zoom desktop app which is compatible with Apple and Windows computers and most mobile devices.

Your Zoom Display Name: By default your display name on your video square in Zoom appears as your e-mail. The event will be recorded, so we recommend you take a moment to check this so that it reads as your preferred
first and last name and if you like, your program acronym. For example: Anna Smith, MA DPP. Here’s a help guide on updating your profile display name setting: [https://support.zoom.us/hc/en-us/articles/201363203](https://support.zoom.us/hc/en-us/articles/201363203).

**Check-in Details:** The webinar will open to attendees and graduates beginning at 3:30PM. **We encourage all graduates to join the webinar at 3:30PM** to allow ample time to ensure your connection works and so you have time to chat and see your fellow graduates.

**DURING THE EVENT**

**Chat:** You are encouraged to use the chat feature in the Zoom webinar to connect with peers. Messages posted in the chat to “All Panelists / Everyone” are visible to other students and faculty who are part of the program. Guests/attendees will not have access to chat or be able to view it.
