28 мая 1980 года.

Репродукция фотографии, предоставленной органам следствия свидетелем Трубаковым З.А.

Старший следователь Следственного
отдела К Г Б У С С Р - майор

А. Плужник
Плужник

A photograph of a desk with several stacks of papers and an open notebook with a grid page. The scene is dimly lit, with the focus on the papers and the notebook. The notebook in the foreground is open to a page with a grid pattern, and there are some handwritten notes and signatures on it. The stacks of papers are arranged in a row, and the background shows a wooden desk and a chair.

Thank you and good luck!
