

GRADUATE INFORMATION SHEET
2022 Spring Commencement
Saturday, May 21, 2022 at 1:00PM Pacific Time
Colton Hall Lawn, Pacific Street between Madison and Jefferson Streets, Monterey

The Spring Commencement Ceremony will be held in person with a Zoom virtual option. The ceremony will be both live streamed and recorded for viewing following the ceremony. **Due to limited onsite bandwidth, those in person are asked to refrain from joining the zoom or livestream.** The bottom of this document has a special section of information pertaining to graduates participating virtually. Visit the webpage at go.miis.edu/graduate for more details and schedule. For questions, email rsvp@middlebury.edu.

CAPS & GOWNS - Under your cap and gown, please dress in business attire, i.e., shirts and ties, dresses, skirts, or suits. The mortarboard is worn flat and straight on your forehead. For master's candidates, the tassel goes on the left to signify previous possession of an academic degree. Caps and gowns are NOT mandatory; you may choose to wear traditional clothes from your homeland or business attire.

All regalia orders can be picked up from the Alumni Relations team at the **Lara Soto Adobe**, located at 460 Pierce Street, between the hours of **11:00AM - 3:00PM on Wed., May 18, Thurs., May 19, and Fri., May 20.**

Please be considerate of what type of shoes you and your guests wear. The ceremony will take place outdoors on a lawn area with uneven surfaces. Spiked heels tend to sink into the grass making it difficult to walk. Wear flats or thicker heels if you can.

FACE COVERINGS - Due to the outdoor location of both the ceremony and the reception, masks are not required for this event. Masks are optional in any common area, such as inside of McCone for the line-up.

INFORMATION FOR YOUR GUESTS – See note about shoe attire and face coverings above. The weather is unpredictable, so please dress appropriately based on the weather forecast. Dressing in layers is recommended. In the past, it has been very warm at this time of year. Sunblock and hats are recommended for you and your guests to protect yourselves from the sun. Umbrellas are prohibited as they block views. Guests are encouraged to bring water in reusable water bottles and be sure to stay hydrated. Seating begins at noon. Entrance for guests will be halted briefly at 1:00PM to allow the procession to enter the lawn. Due to safety codes, no strollers will be allowed into the aisles or within seating areas, but there is an area to store strollers. Only certified service animals are allowed into the ceremony—**no pets**. Guests with special needs (i.e., wheelchairs, walkers, etc.), may email rsvp@middlebury.edu to make special arrangements before 5/16. Interpretation into Chinese, Japanese, and Spanish will be offered by student volunteers on-site: to request this service, email rsvp@middlebury.edu before 5/16.

PHOTOGRAPHY - There is a designated area at the ceremony for your guests to take photos, but the area gets congested. **We ask that guests remain in their seats and proceed to the area only when their graduate is ready to receive a diploma. For the courtesy of others, we ask that you inform your guests of this.** A photographer has been hired to take photos as each graduate crosses the stage. Details will be provided via email once photos become available. A photo station will be available during the reception on the Samson Center patio following the ceremony.

PARKING – All campus lots will be available for guest parking. Street parking is also available but has time limits that are strictly enforced by the City of Monterey. Parking options can be found online on the City Parking Enforcement website: https://monterey.org/city_hall/departments/parking_division/index.php.

RAIN PLAN – In the event of rain, the ceremony will still take place in the same venue. Your guests are advised to bring appropriate rain gear as there will be no shelter should it rain.

SATURDAY, MAY 21, 2022 DETAILS AND SCHEDULE

Masks are optional in McCone.

LINING UP BEFORE THE CEREMONY: – *12:15PM (12:00PM if you need help with regalia)* – All graduation candidates must arrive at the McCone Building. Please come dressed in your cap and gown. Family and guests should proceed to Colton Hall at this time. All graduates will meet in the following locations, line up within degree programs or languages groups and march in the following order: MAIEM & MAIEP in main lobby, upper atrium; MAIPD & MAITED downstairs, tiled area; MANPTS & MPA downstairs, carpeted area. All GSTILE in Irvine Auditorium. Our staff will instruct you in lining up in alphabetical order and assist you with your hoods if needed. Important: During the line-up, you will receive a card with your name that you should keep with you, as you will hand the card to your graduate school Dean just before walking across the stage. **Do not cross the stage until you hear your name announced by your Dean.**

Do not bring coats, purses, or anything you don't want to carry in the procession as there will be no storage area provided for these items. However, we do encourage you to bring your own reusable water bottle for the ceremony (there will be water stations at Colton Hall if you need a refill). No strollers, animals (other than service dogs), children, or non-graduates will be allowed in the procession or on the stage while receiving your diploma. **NO ALCOHOL IS ALLOWED DURING THE COMMENCEMENT PROCESSION AND CEREMONY.**

PROCESSIONAL – *12:50PM* – All graduates will leave the McCone Building through the **upper level doors** following Professor Kent Glenzer, the Grand Marshal. You will walk in a single file up Jefferson Street and cross Jefferson at Van Buren Street in the crosswalk (escorted by Campus Security). Please pay attention to Security during the procession and follow any directions they may give you. You will then walk down Jefferson Street and turn right onto Pacific Street to the lawn area at Colton Hall. The order is: 1) Bagpipes played by Professor Mike Gillen; 2) Flags; 3) President's Party (President, Vice President, speakers, and deans); 4) Faculty led by Professor Katherine Puntaney; and 4) Graduates led by Professor Kent Glenzer.

1:00PM – Professor Glenzer will lead you to the center section of chairs. Continue to march in single file upon entering the lawn area at Colton Hall. An usher will count off the number of graduates per row and will also start a new row at the beginning of each School (pink card). Remain standing until told to sit. Programs will be available at the end of each row in a basket so please pass them down the row once seated.

DURING THE CEREMONY – Vice President Dayton-Johnson will announce when it is time for specific groups to stand and sit. Please listen carefully to his instructions. After the conferring of degrees, specific master and bachelor degree program categories will be asked to rise and come to the stage to receive diplomas.

You will be handed a diploma cover (actual diplomas will be mailed to you by the Records Office) and “fist bump” Vice President Jeff Dayton-Johnson and President Laurie Patton. Go down the stairs on the opposite side of the stage and return directly to your seat, but do not sit down until ALL students in your School have crossed the stage and returned to their seats. Listen to Vice President Dayton-Johnson's directions and watch Professor Glenzer, to follow his lead in standing and sitting.

RECESSIONAL – The President's Party and faculty will leave the lawn area in single file. Graduates will be dismissed from their seats after an announcement from the student speaker. Please pay attention to Security as you and your guests make your way back to the reception on campus at the Samson Center.

RECEPTION **approximately 2:45PM** – The reception begins at the Samson Center immediately following the commencement ceremony. We will serve desserts, champagne, beer, and non-alcoholic beverages. (SMOKERS NOTE: we ask that you and your guests confine smoking to the designated corner of the Samson Center Patio). The reception will conclude at approximately 4:15PM.
