

## **CURRICULUM VITA**

**JUDITH TEGGER KILDOW, Ph.D.**  
**Foundering Director, The National Ocean Economics Program**  
**Consultant on The Sustainable Blue Economy**  
**Mobile: 831-402-5153**  
**336 Lakeside Drive, PO Box 866**  
**BoothBay Harbor, Maine 04538**  
**[jtkildow@gmail.com](mailto:jtkildow@gmail.com)**

### **Education:**

Grinnell College, AB, major, Political Science, 1964  
The Fletcher School, Tufts University, M.A. 1965; M.A. Law and Diplomacy, 1966;  
Ph.D. International Relations and Science Policy, 1972

### **Principal Fields of Interest:**

Economics of the Coast and Ocean  
Linking Economics to Ecology and Policy of the Arctic  
Coastal/ Ocean/ Environmental Policy Analysis and Management.  
Science Policy

### **Current Interests:**

Tracking global initiatives toward achieving a sustainable Blue Economy and providing context and strategic thinking on the topic, particularly regarding climate impacts  
Bridging the gap between academic scientists, policy makers and the public on critical ocean and climate-related issues.

### **Professional Experience**

**Consultant on The Blue Economy, 01/2018-**

**Director, National Ocean Economics Program, Center for Blue Economy,  
Middlebury Institute for International Studies, Monterey, CA. 10/2011 – 12/2017**

Marine Policy and Economics Consultant 2009-2011.

Senior Social Scientist, Monterey Bay Aquarium Research Institute, 01/07 – 7/31/09

California State University at Monterey Bay, Adjunct Professor, 01/07 – 01-09.

California State University at Monterey Bay, James W. Rote Distinguished Professor of Science and Environmental Policy. 2003-2006.

University of Vermont, Rubenstein School of Environmental and Natural Resources, Gund Institute for Ecological Economics, Research Associate Professor, 2003. Adjunct Professor, 2004-05.

University of Southern California, Wrigley Institute for Environmental Studies, Senior Research Scientist, July 1, 1999 – Jan. 2003.

Massachusetts Institute of Technology

Tenured Associate Professor of Ocean Policy, July 1981-June 30, 1999. (Early retirement)

Associate Professor of Ocean Policy, 1976-1981.

Head, Program in Marine Environmental Systems, 1994 -1999.  
 Head, Oceans Systems Management Program, Dept. of Ocean Engineering, 1987-90.  
 Director of Curriculum, Technology and Policy Program, 1984-90.  
 Assistant Professor, Department of Ocean Engineering, 1973-76.  
 Research Assistant, Center for Policy Alternatives and Department of Ocean Engineering, 1972-73.  
 University of Calif., San Diego,  
 Department of Political Science, Visiting Associate Professor (1/2 time), Scripps Institution of Oceanography, Visiting Associate Researcher (1/2 time), 1976-1978.  
 \Scripps Institution of Oceanography, Assistant to the Director, Center for Marine Affairs, Sept 1970- 1972,  
 Columbia University, Institute for the Study of Science in Human Affairs, New York, NY. Research Assistant, 1969-1970  
 Associates for International Research, Inc, Research Assistant, Cambridge, MA 1966-1967  
 Institute for Naval Studies, Research Assistant, Battelle Institute, Cambridge, MA 1965-1966  
 Tufts University, Government Department, Instructor, 1965-1968, Medford, Mass.  
 Palomar Junior College, Palomar, California, Instructor in Government, 1970.  
 Harvard University, The Kennedy School, Senior Research Fellow, Cambridge, MA, 1985-1986 (sabbatical)  
 Tufts University, The Fletcher School, Medford, MA.  
 Visiting Professor of Intl. Environmental Policy, and acting Head, International Environmental Policy Program, 1990-1991. (leave of absence from MIT)

### **Consulting Record:**

Center for International Affairs, Harvard University, 1973-1974.  
 Center for Naval Analysis, Washington, DC, 1974- 1975.  
 Organization of Economic Cooperation and Development, Paris, 1976.  
 American Society of International Law, Washington, DC., 1978-1980.  
 US. Department of Energy, Sandia Labs, Albuquerque, NM., 1980.  
 Temple Barker Sloane, Inc. Lexington, Mass., 1986.  
 Wesleyan University, Middleton, Conn., 1988.  
 Tufts University, Medford, Massachusetts, 1990-1991.  
 American Association for the Advancement of Science, Project 2061, Washington D.C, 1988- 1994, 1999-2001.  
 The Pacific Institute for High Technology Research, Honolulu, Hawaii, 1997- 99.  
 FUJI Research Institute Corporation, Tokyo, Japan, June 1999.  
 Australian Government, Department of Fisheries, 2006.  
 Canadian Government, Oceans Directorate, Fisheries and Oceans Ocean Conservancy, June 09-October-09.  
 Elkhorn Slough Foundation, 2/2010 – 2/2012.  
 National University of Ireland, Galway, Ireland, 11/2011  
 California Sierra Club, Economics of a Marine Sanctuary, 2014

### **Outside Professional Service:**

### **Federal Government:**

U.S. Delegate to UNIOC meeting, Mexico City, 1974.  
Department of Commerce, NOAA Task Force on Technical Goals and Objectives for Marine Pollution, 1977-1978.  
Member, National Academy of Science, Ocean Policy Com, 1981-1982.  
Member, National Academy of Sciences, Board on Ocean Science and Policy, 1983-85.  
Member, President's Commission: National Advisory Committee on Oceans and Atmosphere, (NACOA) 1984-1986.  
Member, Marine Board of the National Academy of Engineering, 1988-1991.  
Member, Marine Board, Committee on Coastal Erosion Management, 1988-1990.  
Member, Senior Advisory Committee for National Defense Center for Environmental Excellence, 1994-1995.  
Delegate to the White House Ocean Summit, Monterey, CA. 1998.  
Member, Social Science Panel, Science Advisory Board, NOAA, Department of Commerce, 2001-2003.  
Member, University of California Sea Grant Advisory Committee. 2002.  
Participant Member, CORE/JOI Board, 2007-July 31, 2009.  
Member, Monterey Bay National Marine Sanctuary Research Activities Panel. 2007-2009.

### **State Government:**

Mass. Governor's Task Force on Coastal Resources, Member, 1973-June 1976.  
    Chairperson, Energy Advisory Committee, 1974- 1976  
    Chairperson, Steering Committee, 1975- 1976  
Mass. Outer Continental Shelf, 1975-1976  
    Coordinating Committee (Mass. Energy Office).  
Member, Technical Advisory Com to Mass. Office of, Environmental Affairs, 1990.  
Member, Technical Advisory Com Mass. Bays Program, 1990-1991.  
Member, Governor's Task Force on Water Quality, 1994-1995.  
Member, Ocean Resources Roundtable, Massachusetts Coastal Zone Office, 1997 –1999.  
Member, California and the World Oceans Conference Coordinating Committee. 2002.  
**Member California Climate Change Adaptation Task Force. 2007-2009.**

### **Directorships, etc.**

Executive Board, Law of the Sea Institute, Universities of Rhode Island and Hawaii, 1975-1981.  
Board of Advisors, College of Marine Studies, 1975- 1976, University of Delaware.  
Editorial Board, Marine Policy, 1978-1999.  
Editorial Board, Oceanus, 1979-1982.  
Advisory Board, Center for Ocean Studies, 1986-Present, University of Virginia.  
Board of Directors, Massachusetts Audubon Society, 1983-1999.  
Chair, Maritime Committee, Marine Technology Society, 1989-1992.  
Chancellor's Marine Science and Policy Advisory Group, (1991-1992), University of Mass., Boston.  
Advisory Board, US. Committee for International Institute, for Applied Systems Analysis, 1991-1999)

Member, Annual Meeting Planning Committee, AAAS, (1991-2000.)  
Associate Editor, Oceanic Engineering International, (1996-2000.)  
Strategic Advisory Group for Ocean Sequestration of CO<sub>2</sub>, OECD, International Energy Agency, Greenhouse Gases R&D Program, 1998.  
**Member, Advisory Committee, Marine Ecosystem Services (MARES) Program at Forest Trends, (2009 –2011).**  
**Member US Committee on Census of Marine Life, (2007-2009)**  
**Honorary Director, Center for Ocean Economy, Shanghai Ocean University, Shanghai China, October (2013-Present)**  
**Member Board of Trustees, The Bigelow Laboratory for Ocean Sciences, Boothbay Harbor, Maine. (June, 2018- Present)**  
**Member, Advisory Council, Center for the Blue Economy, The Middlebury Institute of International Studies, Monterey, CA (January 2017-Present)**  
**Member, Editorial Board, Journal of Ocean Economics (2013-Present)**  
**Member, Editorial Board, Ocean and Society (2023 -)**  
**Member Lead Expert Group, UN High Level Panel for a Sustainable Ocean Economy. (May 2023-)**

#### **Awards:**

Celia M. Howard Award, Illinois Federation of Business and Professional Women, 1964-1967  
Fletcher Fellow, 1965-1966.  
Lilly Teaching Fellow, 1974-1975.  
Chancellor's Visiting Scholar, U C, Santa Barbara, Marine Sciences and Ocean Policy Symposium, 1979.  
Senior Research Fellow, Harvard University, 1985-1986.  
Marion and Jasper Whiting Fellowship, 1985-1986.  
Martin Abkowitz Travel Award, 1998.  
MIT/Ocean Engineering Department, established Judith Kildow Fund for Women

#### **Recent Presentations**

“Overview of California’s Ocean Economy: Linking the Economy and the Environment,” EBM Conference, Monterey CA, December 2005.  
“Splicing Economics into Ecosystem-based Management: A Glimpse at the South Atlantic Coastal States Through the NOEP Lens.” Coastal Conference on Ecosystem-Based Approaches to Management in the Southeast Region, Wilmington, NC. March 2006.  
“The Changing Ocean and Coastal Economies of the Gulf of Mexico,” with Charles S. Colgan and Linwood Pendleton, Gulf of Mexico Summit, Corpus Christi, TX. March 29, 2006.  
“Tracking Florida’s Coastal and Ocean Economies: A Tool for Evidenced Based Solutions,” The Coastal Society Conference, St Pete Beach, Florida, May 2006.  
“Economic Tools for Environmental Valuation,” Katoomba Conference, Portland, Oregon. June 2006.  
“Lessons from California’s Coast, New South Wales Coastal Conference, NSW Australia, November 2006.

“Linking Property Values with Estuarine Restoration,” Restore America’s Estuaries Conference, New Orleans, LA, December 2006.

“Linking Ocean Acidification Science to Policies.” CO2 Workshop, MBARI/Center for Ocean Solutions, Stanford University, March 20, 2007.

“US Economy at Risk: Living on the Edge,” presentation at the Disasters Roundtable, the National Academies, March 28-29, 2007.

“Valuing the Ocean: Choice or Necessity,” invited Lecturer, Speaker series, Coastal Policy Challenges for the 21<sup>st</sup> Century, University of California at Santa Cruz, April 11, 2007.

“The Economy of US Coastal Communities,” National Sanctuary Foundation Capitol Hill Ocean Week panel, Washington DC, June 6, 2007.

“Coastal Management in America,” invited talk for delegation of Vietnamese officials, MBARI, July 20, 2007.

“The Social Tipping Point: Can Policy Catch Up with the Science of Global Climate Change?” Keynote address: GLOBEC Conference, Rome, Italy, July 11, 2008.

“Socio-Economic Impacts of Climate Change,” Global Climate Change: What Does It Mean Locally? Chautauqua Hall, Pacific Grove, September 13, sponsored by Pacific Grove Natural History Museum, 2008.

‘The Oceans, the Economy and Climate Change,’ Moss Landing Marine Lab Student Speakers Series, October 2008.

“The Oceans, Climate Change and the Economy,” National Association of Business Economists, San Francisco, CA January 7, 2009

“Economic Impacts of Ocean-Related Climate Change,” Graduate Student Speaker Series, California State University Monterey Bay, February 9, 2009.

“Population, Consumption and Climate Change,” League of Women Voters of Monterey Peninsula, February 11, 2009.

“A Strong Blue Economy Demands Green Practices,” Expo 2012 Symposium, Jeju, Republic of Korea, November 19, 2010.

“Population, Consumption and Climate Change,” Business and Professional Women’s Association of Nevada County, CA. 11/2010.

**“The NOEP USA”. The 3rd Annual Beaufort Marine Socio-Economic Workshop Galway Ireland, Friday 11th November 2011.**

**“The US Ocean Economy: Its Importance to the Nation”, Nevada City Rotary Club, September 2011.**

**“The Economic Costs of Marine Debris,” Congressional Panel on Marine Debris, Washington DC, July 2012.**

**“Understanding the Ocean Economy within Regional and National Contexts,” with Charles Colgan, CNREP Conference, New Orleans, LA, March 25, 2013.**

**“Ocean Economic Accounting and Non-Market Value Estimates,” Invited Lecture, National Marine Data Center, Oceanic Administration, Government of China, October 2013, Tianjin China.**

**“Estimating the Coastal Economy,” Invited Lecture, Shanghai Ocean University, Shanghai, China. October 2013.**

**“Contribution of Marine Science to the US Economy,” White House Office of Science and Technology, Ocean Policy Council, Washington DC, Sept 2014.**

**“Estimating the Value of Marine Science to the US Economy, Ocean Studies Board,**

**National Academy of Sciences, National Research Council, Irvine, CA, Oct. 2014.**  
**“The Importance of Oceans and Coasts in National Accounts” Korea Maritime Institute, Seoul, Korea, October 2014.**  
**“The Ocean Economy as Engine for Sustainable Development in Coastal and Island Developing States.” Yeosu International Ocean Forum, October 23, 2014, Yeosu, Korea.**  
**“The New Blue Economy, The need for Definition,” Blue Vision Summit, Washington DC, May 12, 2015.**  
**“The Importance of Arctic Economic Data for Balanced Management of the Arctic,” Center for the Blue Economy, Middlebury Institute of International Studies, May 2017.**  
**“The New Blue Economy: A Revolution in our Relationship with the Oceans.” Long Beach Aquarium of the Pacific, November 14, 2017.**
